

September 2018

CHUNG WAH TERRACE – EMERY AVENUE

INTERSECTION UPGRADE

Dear Stakeholder

Motorists are advised that works to upgrade the intersection on Chung Wah Terrace and Emery Avenue are anticipated to commence mid-September 2018.

This project is jointly funded by the Australian Government and Northern Territory Government as part of the Black Spot Program. The upgrade will enhance safety at the Chung Wah Terrace – Emery Avenue intersection and facilitate safer vehicle movements.

The upgrades include a new dedicated left turning lane, installation of street lights to improve visibility and new pedestrian path connections.

Construction will be undertaken between 9:00am to 3:30pm Monday to Friday and 7:00am to 5:00pm on Saturdays. During construction, there will be some disruption to traffic with lane closures and temporary speed restrictions. Please adhere to any traffic management in place.

Access to and from Emery Avenue will be maintained during works. Asphaltting works will be completed at night time, over a couple of days towards the end of the project.

Works are expected to be completed by December 2018.

For further information, contact the Department of Infrastructure, Planning and Logistics Manager Projects, Sumesh Dhir on **08 8999 4864** or email sumesh.dhir@nt.gov.au.

Please turn over to view map of changed traffic conditions.
