

Maurice Terrace Park

# OFF-LEASH

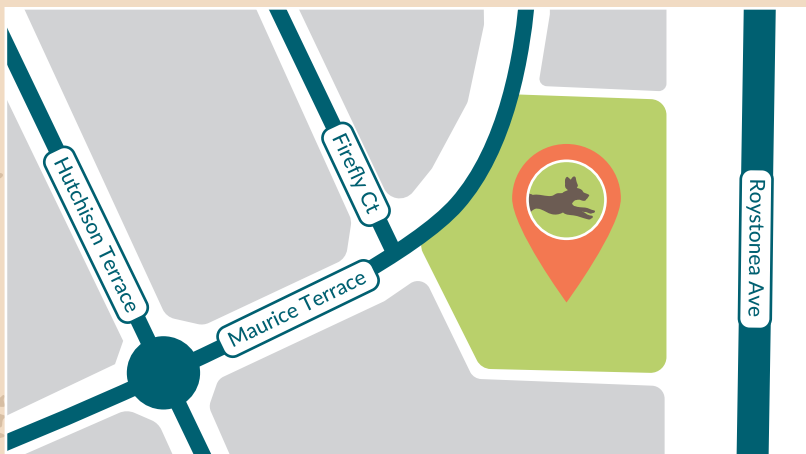

Dog Area Consultation

The City of Palmerston has trialled an off-leash dog exercise area at Maurice Terrace Park during the COVID-19 pandemic to provide more spaces for people to take their dogs to exercise off-leash.

There is currently one permanent off-leash dog park in Palmerston, at Marlow Lagoon. The Council recognises that Palmerston requires additional dog exercise areas.

Council is considering converting the Maurice Terrace Park temporary off-leash dog exercise area into a permanent off-leash dog exercise area and would like feedback from the community to gauge the level of support for this proposal.

It is proposed that the permanent off-leash dog exercise area would include minimal dog park infrastructure such as dog agility equipment, fencing, water, bins and poo bags and dispensers.
