CITY OF PALMERSTON WASTE SERVICES

The City of Palmerston is committed to providing efficient, sustainable and accessible waste management services to the community.

This includes residential kerbside waste and recycling collections, transfer station access and cyclone preparation.

Please use this booklet and calendar as a guide for accessing these services and visit our website or contact us if you would like more information.

CYCLONE PREPARATION

The Top End of the Northern Territory is prone to cyclones from November to May.

Prior to each cyclone season, Council conducts a hard rubbish collection service to help residents prepare for the cyclone season.

Visit Council's website for collection dates and information on the pre-cyclone clean up and other cyclone preparation information.

Archer Waste Management Facility

The Archer Waste Management Facility is a transfer station, where residents can bring recycling, hard waste materials and green waste. This material is then transported to recycling or landfill facilities in the Darwin region. Green waste is processed into mulch and available for sale on site.

The facility is free for all Palmerston residents for the disposal of domestic items. Please ensure your waste and recycling materials are separated to maximise the diversion of waste.

Address: Elrundie Avenue (south of Chung Wah Terrace)

Hours of operation: 7 days a week from 8am to 6pm (except Christmas Day from 8am to 12pm)

How to ensure your bin gets emptied

- Place your bins at least ½ metre apart on the kerbside (not on the road)
- Keep your bins clear of overhanging branches and obstructions
- Place your bins on the kerbside by 7am
- Ensure your bin is not overflowing
- Take your bin inside the property within 24hours
- Make sure your bin does not exceed 70kgs
- Place only recyclable items in the recycling bin
- Remember that only council bins will be collected
