

# GULWA RECORDING STUDIO

The Gulwa Community Recording Studio is conveniently located in the city centre, attached to the Palmerston Library in Goyder Square  
Facilities and amenities

- Two rooms, the Recording room and the live room
- Recording equipment including microphones and cables
- Apple Mac with Pro Tools and Logic
- Access to toilets outside the building

## **BOOKINGS**

Facilities are available to book online at the City of Palmerston website. All bookings will require a member of the team to undergo an induction into the space.

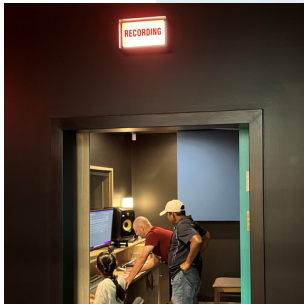

Facilities are \$10/ \$50 per hour, with a refundable bond of \$200.00 required for all bookings. The fees are \$10 for not for profit and \$50 for commercial use.

Bookings require 24 hour notice. Bookings cannot be made on a Friday or Saturday for that weekend.

For re-occurring bookings, contact the Recording Studio at [recordingstudio@palmerston.nt.gov.au](mailto:recordingstudio@palmerston.nt.gov.au) prior to completing an online booking to check the times and dates you require is available.

Studio must be booked in 3 hour blocks in set hours, see website for details on times.

Keys can be collected from the Rec Centre located opposite Goyder Square during office hours and must be returned in person on through the after hours return chute before deposit will be refunded.
