

## FACT SHEET

# PAY AND DISPLAY PARKING

### PAID PARKING

The City of Palmerston is introducing paid parking in the Palmerston city centre. Charges will apply in both on-street and off-street parking areas.

### PARKING ZONES

There will be two paid parking zones within the city centre:

## ZONE A - \$1.80 P/H

WITH MAXIMUM STAY 2 HOURS

## ZONE B - \$1.00 P/H

TO A MAXIMUM CHARGE OF \$4  
FOR 4 HOURS OR MORE  
(ALL DAY)

## PARKING CHARGES

APPLY MONDAY TO FRIDAY, 8AM-5PM

### PAY AND DISPLAY

All paid parking in the Palmerston city centre will be controlled by parking meters.

To use this system, park your vehicle, decide how long you expect to stay and pay at the nearest meter for that zone.

You will receive a parking ticket clearly indicating when your parking time is up.

Place the ticket on your vehicle's dashboard, face up, so it is clearly visible from outside the vehicle.

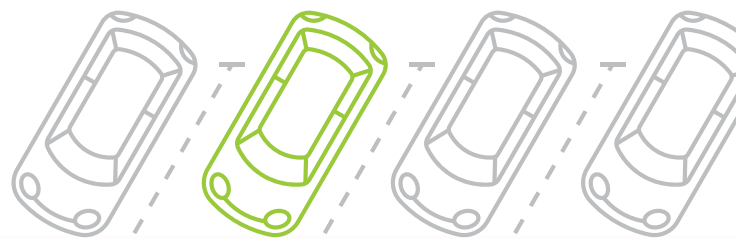

### PARKING METERS

Parking meters are located throughout the city centre. All parking meters will accept coins and paywave credit cards.

Parking meters do not give change and do not accept 5 cent pieces.

### PARKING METER FAULTS

Please report parking meter faults by phoning the City of Palmerston on 8935 9958. If a parking meter is out of service, you must use the nearest available pay and display parking meter for that zone.
