## 4 POLICY STATEMENT

### 4.1 Fraud and Corruption Control Strategies

#### 4.1.1 Fraud Protection Plan

Council Fraud Protection Plan consists of controls, policies and procedures in place for the prevention, detection, management and reporting of fraud, which include:

- an external auditor undertaking an annual audit of Council's financial statements;
- a Strategic Risk Framework with internal audit activities occurring according to the level of risk;
- oversight by the Risk Management and Audit Committee;
- procurement policies and procedures;
- human resources policies and procedures;
- information technology security protocols;
- a Privacy Policy;
- an Accounting and Policy Manual;
- Codes of Conduct for Elected Members and staff; and
- an effective internal control framework.

These are constantly reviewed to ensure that they respond to emerging threats and achieve best practice.

#### 4.1.2 Internal Controls

4.1.2.1 That the Chief Executive Officer ensure that Internal Controls are in place across the organisation to reduce the likelihood and decrease the detection time of any potential fraud, theft or corrupt act. These controls will include but not be limited to:

- appropriate financial delegations and authority;
- appropriate physical security of Council's assets including cash;
- dual authorisations on financial transactions;
- segregation of duties;
- trained and properly qualified staff;
- information technology controls;
- audit logs and records reviewed; and
- regular reconciliations of the bank account and balance sheet accounts.

4.1.2.2 The internal controls are to be based on a risk management approach, where risks to the organisation are identified and registered and then appropriate controls are implemented to reduce the likelihood and/or the severity of the risk occurring.

4.1.2.3 The internal controls are to be reviewed and tested to identify any deficiencies or to identify any potential improvements. The use of an internal auditor to provide specialist advice may also be considered. Any recommendations identified by an internal auditor are to be presented to the Risk Management and Audit Committee.

4.1.2.4 Council's external auditor will also test the control environment during their preparation for the end of financial year audit. Any observations identified by the external auditor are raised in a management letter and presented to the Risk Management & Audit Committee.

#### 4.1.3 Fraud and Corruption Awareness and Ethical Culture

Through a range of formal and informal means, including training, the Council is committed to continually promoting an ethical culture and an awareness of fraud and corruption. Fraud and corruption awareness will ensure workplace participants and

Elected Members are aware of what constitutes fraud and corruption and their fraud and corruption control responsibilities.

#### 4.2 Reporting Fraud and Corruption
