city of
PALMERSTON
'A Place for People'

Non-essential Laneway

City Of Palmerston
Non-essential - Preliminary investigation
Action:

- 4-week localised consultation at the Laneway will be conducted to determine impacts to the broader community.
- Assess the laneway in respect of stormwater function
- Obtain information on underground services within the laneway.
- Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period
- Request information from relevant government agencies and non-government organisations on local issues

First Council Report
The Laneway Application to Council for consideration.

Council will consider the application

City of Palmerston
Proceed with detailed Laneway investigation.

City Of Palmerston
No significant impacts are raised by the community during the 4-week consultation period

Action:
City of Palmerston will apply the requested treatment to the laneway.

In the result of significant impacts, Council will determine the most suitable solution to address the issue or decline the proposed treatment whichever benefits the community holistically
