## MAYORAL REPORT

2nd Ordinary Council Meeting

AGENDA ITEM: 7.1

**REPORT TITLE:** Mayoral Update Report - September 2024

MEETING DATE: Tuesday 15 October 2024
AUTHOR: Mayor, Athina Pascoe-Bell

#### **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

#### **PURPOSE**

This report provides Council with a summary of recent activities of the Mayor, on behalf of Council.

#### **KEY MESSAGES**

- As the principal member of Council the Mayor undertakes regular activities and attends events to speak on behalf of the Council.
- During the month of September 2024, the Mayor undertook meetings with Ministers, MLA's and Government Agencies, as well as regular media interview segments with ABC Radio and First Nations Radio
- This report will provide context on a number of community events that were attended by the Mayor on behalf of Council.

#### **RECOMMENDATION**

THAT Report entitled Mayoral Update Report - September 2024 be received and noted.

#### **DISCUSSION**

As the principal member of Council, the Mayor undertakes regular activities and attends events to speak on behalf of the Council.

An overview of events attended by the Mayor during the month of September 2024 is as follows:

- Top End Regional Organisation of Councils (TOPROC) Quarterly Meeting
- Meeting with Member for Brennan, Marie-Clare Boothby
- Durack Primary School to discuss local government with Grade5/6 students
- Councillor Conduct Reference Group
- Palmerston Development Consent Authority (DCA) Meeting
- Brekkie in the Park
- Chuseok Festival 2024 (Korean Harvest Festival)
- Citizenship Ceremony
- Woodroffe Primary School meeting students
- Palmerston Liquor Accord Quarterly Meeting
- City of Palmerston Cup presentation at Mackillop College
- National Police Remembrance Day 2024 Church Service
- Palmerston Markets Elected Members Stall
- St Vincent de Paul Society NT (Northern Territory) 75 Anniversary Celebrations

#### Brekkie in the Park

Brekkie in the Park series is a free council initiative to bring the community together and gives residents the opportunity to connect with other residents, various community stakeholders, council staff and elected members. Not only was there a free breakfast put on by PaRBA, Council provided free animal microchip vouchers and 500 native trees were given away. Riding for the Disabled bought two horses along for therapeutic horse petting, and face painting and the bouncing castle delighted and entertained the youngsters. It was a wonderful morning with many stakeholders and a large turnout of approximately 500 people attended the last Brekkie in the Park held at Joan Fejo Park in Rosebery.

Brekkie in the Park held at Joan Fejo Park in Rosebery

#### City of Palmerston Dementia Friendly Library

I was immensely proud to accept the dementia-friendly certificate on behalf of the City of Palmerston's Library who were formally recognised after a recent dementia environmental walkthrough of the library. City of Palmerston are the first Northern Territory Dementia Friendly Library, and this reinforces why Palmerston really is 'A Place for People'. I would like to thank the Library Team for their dedication and efforts in making our library what it is today; a safe and inclusive environment with many free programs catering to all ages and interests. City of Palmerston is proud of what we have achieved, and we look forward to continued progression in being dementia friendly and providing a dementia friendly environment. We are committed to making our library even more accepting of people directly impacted by dementia, through physical enhancements, ongoing training of staff and the development of inclusive programs.

City of Palmerston Mayor Athina Pascoe-Bell receives the dementia-friendly certificate from Belinda Curtis, Demetia Australia establishing City of Palmerston Library the first Dementia-Friendly Library in the Northern Territory.

#### Woodroffe Primary School

It was lovely to meet with the students at Woodroffe Primary School who have been hard at work designing playground design and layout for Woodroffe Park. They have even conducted a survey within the school to ensure the data received is relevant and can be used to make decisions and the feedback received contributed to their persuasive arguments and discussions. Not dissimilar to City of Palmerston when we go out to community consultation! I think it is wonderful these young students are contributing their time, ideas and passion to make a difference to Woodroffe Park. This amazing project may help create future engineers, town planners and open space officers and I can't wait to see the outcome!

Mayor Athina Pascoe-Bell visiting Woodroffe Primary School Year Four

#### **POLICY IMPLICATIONS**

There are no policy implications for this report.

#### **BUDGET AND RESOURCE IMPLICATIONS**

There are no budget or resource implications relating to this report.

#### **RISK, LEGAL AND LEGISLATIVE IMPLICATIONS**

There are no risk, legal and legislative implications relating to this report.

## **COUNCIL REPORT**

2nd Ordinary Council Meeting

**AGENDA ITEM:** 13.1.1

**REPORT TITLE:** Playground Refurbishment Consultation Outcomes and Lighting

**Options** 

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Manager Environment, Katie O'Neill APPROVER: General Manager of Infrastructure, Nadine Nilon

#### **COMMUNITY PLAN**

Family and Community: Palmerston is a safe and family friendly community where everyone belongs.

#### **PURPOSE**

This Report seeks to inform Council on the outcomes of community engagement undertaken for the redevelopment of Sanctuary Lakes and the Marlow Lagoon Playgrounds and considers the option of lighting regional playgrounds.

#### **KEY MESSAGES**

- Council has assessed and awarded a tender for redevelopment of the Sanctuary Lakes Playground and the Marlow Lagoon Junior Unit Playground at Marlow Lagoon, with construction on each playground due to start in 2025, following the wet season.
- To ensure that community input has been adequately considered in the final design of each playground, a stakeholder engagement program was undertaken from 15 September until 6 October 2024.
- The results of the stakeholder engagement indicated that sensory and accessible play options was considered the most important design element for Sanctuary Lakes. For the Marlow Lagoon Junior Unit Playground, the community requested swing activities, and more platforms, slides and ramps.
- Additional suggestions that were provided through the consultation will be considered in the final designs for the playgrounds and included as appropriate and practical for the available space and budget.
- On finalisation of designs, equipment will be ordered in time for construction in 2025, when access is available following the wet season.
- In August 2024, Council requested lighting to be reviewed for regional parks. It is recommended that;
  - pathways within parks are included in dark spot lighting upgrades to improve connectivity and accessibility, and
  - lighting infrastructure for the lighting of play spaces is installed as refurbishment of regional parks occur with the lighting only to be used as options for events and booking requests, where available.

#### RECOMMENDATION

- 1. THAT Report entitled Playground Refurbishment Consultation Outcomes and Lighting Options be received and noted.
- 2. THAT Council notes the inclusion of the consultation outcomes to be included in the final designs of the Sanctuary Lakes Playground and the Marlow Lagoon Junior Unit Playground refurbishments, and

that the designs are made publicly available, including acknowledgement of the contribution from the community in their development.

- 3. THAT Council includes the installation of lighting infrastructure of play spaces within regional parks as part of refurbishment projects, and that the use of lighting where it is available is to occur as part of approved events and bookings.
- 4. THAT Council notes that pathway lighting within parks is included within the dark spot public lighting upgrade program.

#### **BACKGROUND**

Council's Palmerston Play Space Strategy was adopted at the 1<sup>st</sup> Ordinary Council Meeting of February 2022, for the purpose of providing a consistent approach to playground planning in the City's open space network. The Strategy is focused on delivering priority outcomes for Palmerston play spaces, including:

- Increasing diversity and quality of play experiences and environments.
- Increasing community involvement and information in play space planning.
- Improving the maintenance and resourcing of play spaces.

To meet the objectives of the Strategy, Council recently released and awarded a tender for the redevelopment of playgrounds within two (2) of Council's regional parks, Sanctuary Lakes playground in Gunn, and the Marlow Lagoon junior unit playground, Marlow Lagoon. The aim is to replace aging infrastructure at these parks with diverse high-quality play experiences. Community input on the design of these playgrounds was sought through a consultation program, undertaken from the 15 September until 6 October 2024

At the 2<sup>nd</sup> Ordinary Council Meeting of 20 August 2024 Council made the following decision in relation to lighting of playgrounds.

#### 17.1. Lighting of Regional Playground Equipment

THAT a report be prepared regarding the feasibility to light Regional Parks Playground equipment by the second ordinary council meeting in October 2024.

CARRIED 10/1486 - 20/08/2024

This Report provides Council with the outcomes of the community consultation undertaken for the redevelopment of the Sanctuary Lakes Playground and the Marlow Lagoon Junior Unit Playground.

The Report also considers introducing lighting of regional parks throughout the municipality.

#### **DISCUSSION**

The stakeholder engagement program for the Sanctuary Lakes and Marlow Lagoon Junior Unit playground redevelopment was undertaken from 15 September until 6 October 2024. The objective of the engagement was to seek community input on play experiences, activities and equipment that were considered the most important for each playground.

The tender was awarded based on concept designs, with the consultation intended to inform the final design for construction for both playgrounds.

An online survey was developed, outlining six (6) key playground elements, and asking the public to rate each according to the level of importance. A face-to-face community engagement session was undertaken at the Joan Fejo 'Brekkie in Park' event on the 15 September 2024. Additionally, the survey was presented to Palmerston schools, early learning centres and the Palmerston Kids Network Group, seeking input.

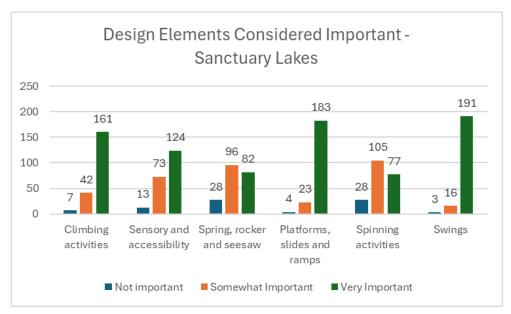

The playground elements that were listed for feedback included equipment that could fit into the following categories:

- Climbing activities
- Sensory and accessibility activities
- Spring, rocker and see-saw activities
- Platforms, slides and ramps activities
- Spinning activities
- Swings

The online survey was completed by 270 residents, with a further 30 residents providing Facebook comments, and direct commentary at the engagement session held at the Brekkie in the Park event.

#### Results - Sanctuary Lakes

For the Sanctuary Lakes Playground, 'Swings', 'Platforms, 'Slides and Ramps' and 'Climbing Activities' followed by 'Sensory and Accessibility Activities' were considered the most important design elements.

Community members were also given the opportunity to provide free text in the survey. Many comments provided confirmed the overall need for increased accessibility at the playground, including the following.

- Please keep in mind kids with special needs.
- Play equipment needs to be inclusive so that it opens up for all children to be included.
- All abilities equipment.
- I would also like to see more disability equipment such as wheelchair swing.
- Would really love to see it being more inclusive to allow children with disabilities or physical restrictions to be able to join in with the other kids.
- Accessibility is very important, even from an able body family, as it is important that communities are inclusive, and children can engage with each other in play.
- Palmerston needs an all-abilities accessible playground.

Additional free text comments that were received in relation to the Sanctuary Lakes Playground included:

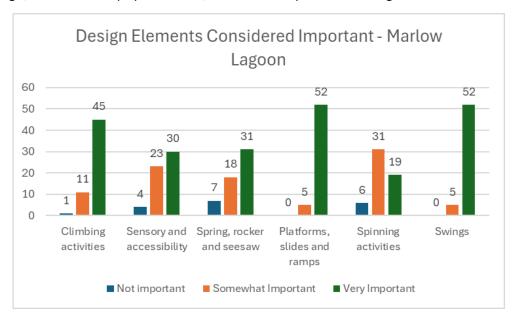

- 12 individual comments asking for water-based play activities, and misting sprays.
- 10 comments asking for toddler specific aged activities, with four (4) comments suggesting zoning of play areas to cater for diverse age groups.
- 16 comments requesting that shade is all encompassing, including over seating.

- Five (5) comments indicating a preference that sand Softfall is not included in the redesign.
- Three (3) comments requesting that the park remain fenced.

#### Results - Marlow Lagoon

For the Marlow Lagoon Junior Unit, the most important design element identified by the community was for 'Swings', followed closely by 'Platforms, Slides and Ramps' and 'Climbing Activities'.

Free text provided by the community for this playground included:

- Large connecting structures like bridges would be good between platforms.
- Large slides and lots of climbing frames i.e. monkey bars for all ages, low line and ones for teens.
- 100% must be shaded, and a lot of seating for families.
- Lots of shade for the hot Darwin days and seating for the adults directly next to the equipment to keep an eye on the kids.
- Would be great to have a fence around the playground so kids can't run away.
- Age friendly areas for small and bigger kids and families.
- Adventurous climbing frame with levels and activities.
- Swings are always popular. Don't forget to include toddler swings.
- Incorporate music and sound.

#### Lighting

Council's public lighting includes all street lighting and lighting of public spaces, including parks. Current priorities for lighting are focussed on roads and pathways to ensure dark areas are upgraded to meet current lighting standards which improves safety for all users. There are also a number of gazebos and seating areas that do have lighting installed.

Play spaces, including playgrounds do not have lighting installed for night-time use. To light playgrounds requires consideration of the intended users of the playgrounds and spaces, including nearby residents and the type of park and other amenities.

The Play Space Strategy doesn't specifically outline play space lighting as a priority; however, it is captured within the design guidelines to be considered, along with lighting pathways.

Regional parks are Councils parks that have the greatest diversity of play spaces, public amenities such as toilets, barbecues, and are designed to have the highest usage. As a result, they also typically have the highest numbers of bookings, both by Council for events and by other users. If a program was to be established, it would be recommended to start with regional play spaces.

As a detailed review of all lighting options and requirements for parks have not been investigated and are not considered a current priority for play spaces in accordance with the strategy, it is not recommended to introduce lighting to all parks, or to introduce a new program for play space lighting. The lighting of pathways would continue to be incorporated into the dark spot public lighting upgrade program.

The refurbishment of play spaces does provide an opportunity to incorporate lighting as part of a larger project such as the regional playground refurbishment projects currently planned.

Therefore, it is recommended that regional play space refurbishment includes the provision of lighting to enable use after dark, with the use of the lighting restricted to approved park bookings and events.

In the future, Council may determine to consider set times for lighting play spaces after dark on a regular basis, however this is not recommended until the spaces have sufficient, compliant lighting infrastructure in place, and consultation occurs in relation to lighting levels and operation times.

#### Summary

The results of the community survey closely align with the priority outcomes of the Play Space Strategy. The Strategy aims to actively identify where changes and improvements are required to deliver universally accessible play spaces. The Strategy also aims to review and increase resourcing of play space upgrades to ensure Council is responsive to community needs. The provision of sensory and accessible play options at Sanctuary Lakes and increasing the resourcing for the upgrade of the Marlow Lagoon Junior Unit to include swings, platforms and slides, will help meet these overall objectives.

The lighting of these playgrounds is also recommended to be included as part of the upgrades, with use to be restricted to approved park bookings and events.

#### **Next Steps**

Council will engage with the awarded playground installer to finalise designs based on community feedback. The budget of the playgrounds has been set, and along with the available space, will inform the final designs.

The final design and elements of the playgrounds will enable the equipment to be ordered, which typically has a 3-month lead time. This will result in the playgrounds being constructed in 2025 as soon as the site permit following the wet season.

Feedback that has been received will also be used to inform future programs and future reviews of the Play Space Strategy.

#### **CONSULTATION AND MARKETING**

A consultation plan was prepared for the community engagement program.

Primary stakeholders were identified as part of the consultation plan and included the following groups.:

- Palmerston and Rural Youth Services Network group
- Palmerston primary schools
- Palmerston early learning centres
- Playground visitors Sanctuary Lakes and Marlow Lagoon
- Elected Members
- Community Wellbeing committee

- Community Safety committee
- Brekkie in the Park attendees
- Palmerston Markets attendees

Information flyers, with QR codes linking the online survey, were utilised at the face-to-face Brekkie in the Park Event, and at the Palmerston Markets Elected Members Stall.

The following City of Palmerston staff were consulted in preparing this Report:

- Team Lead of Open Space
- Community Development Lead
- Community development Officer
- Acting Manager Sustainability
- Marketing and Communications team

#### **POLICY IMPLICATIONS**

The Community Engagement Policy was applied in the development of the communication engagement program.

#### **BUDGET AND RESOURCE IMPLICATIONS**

For the 2024/2025 financial year the Play Space Renewals and Upgrades budget is \$846,600, however this includes \$250,000 of anticipated grant funding that has not been committed at this time, leaving \$596,600 of available funds

At the 2<sup>nd</sup> Ordinary meeting in August 2024, Council approved the transfer of \$498,968.45 from Unexpended Capital Works Reserve on the award of TS2024-06 Playground Refurbishment at Marlow Lagoon and Sanctuary Lakes.

In total, the available budget for playground renewals is \$1,095,568.45 and the finalisation of the designs will be aligned to ensure that the project costs are within the available budget.

The costs relating to the inclusion of lighting will be determined following quotes from Council's current contractor. Allocation of funds will be identified from relevant budgets when required.

#### RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

- 4. Inclusion, Diversity and Access
  - Failure to balance meeting needs of Palmerston's cultural mosaic
- 5. Infrastructure
  - Failure to plan, deliver and maintain fit for purpose infrastructure.

#### STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

The Play Space Strategy aligns with the priorities in the Community Plan and represents the City of Palmerston's commitment to improving open space amenity with fit-for-purpose infrastructure that meet community requirements. The Strategy requires playground activation with a focus on regional and new or updated playgrounds. The Strategy also requires increased resourcing to deliver higher quality play spaces, with lighting of Regional Parks Playgrounds designed to improve the quality and use of these areas.

#### COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

## **COUNCIL REPORT**

2nd Ordinary Council Meeting

AGENDA ITEM: 13.1.2

**REPORT TITLE:** Review of Council Advisory Committees - October 2024

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Assistant to CEO, Kate Roberts **APPROVER:** Chief Executive Officer, Amelia Vellar

#### **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

#### **PURPOSE**

This Report provides Council with an update overview of the current Advisory Committees and Networks and seeks Council endorsement of recommendations towards membership of the existing Advisory Committees.

#### **KEY MESSAGES**

- In September 2022, Council established the following Advisory Committees, Terms of Reference (TOR) and membership:
  - Community Wellbeing Advisory Committee
  - Community Safety Advisory Committee
  - Vibrant Economy Advisory Committee
- Under the *Local Government Act 2019* a council can review, establish, and abolish its non-legislative Advisory Committees at any time by Council resolution.
- As the committees are advisory committees, they have no delegated authority and are intended to inform Council on issues related to the committees in accordance with the Terms of Reference.
- The Advisory Committees Terms of Reference identify several external memberships which have reached the end of their term.
- Given the timing of the next election, it is being proposed that Council make no changes to the current Advisory Committee and Networks and that this be reviewed after the declaration of the poll following the Local Government Election 2025.
- It is also recommended that current memberships are extended until after the declaration of the poll following the Local Government Election 2025.
- It is being proposed that Council fill existing vacancies on the Community Safety Advisory Committee.

#### **RECOMMENDATION**

- 1. THAT Report entitled Review of Council Advisory Committees October 2024 be received and noted.
- 2. THAT Council make no changes to the current Advisory Committee and Networks and that this be reviewed after the declaration of the poll following the Local Government Election 2025.

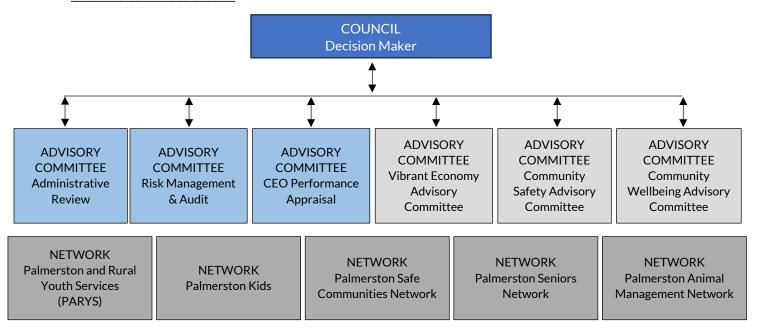

- 3. THAT Council write to the nominated person appointed to the below Community Safety Advisory Committee positions, to advise that as per the Terms of Reference they have resigned their membership due to non-attendance at 3 consecutive meetings without apology:
  - a. Community Member
  - b. Northern Territory Families Representative
- 4. THAT Council seeks nomination for vacant positions of the Community Safety Advisory Committee via a public call for Expressions of Interest, for the below vacancies:
  - a. Business Associations Representative
  - b. Youth Community Member Representative
  - c. Community Member
- 5. THAT Council seeks nomination for vacant positions of the Community Safety Advisory Committee by directly contacting the below agencies:
  - a. Department of the Chief Minister and Cabinet Representative
  - b. Northern Territory Families Representative
- THAT a letter offering a membership extension be sent to the remaining Committee Members of each Advisory Committees for a continuation of membership term to the declaration of the poll following the Local Government Election 2025, with a response of acceptance due by 5pm 15 November 2024.

#### **BACKGROUND**

Section 82 of the <u>Local Government Act 2019</u> (Act) provides for councils to establish committees. A Council Committee consists of the persons appointed by Council resolution to be members of the Committee.

Council's current Committee and group structure has been established since 2022 and is provided below:

#### Council's Current Structure:

The Committees highlighted in blue are a requirement by legislation. All other Committees and Networks have been formed by decision of Council. Elected Member membership to committees is reviewed

annually and Council last appointed its Members to these Committees at its Council meeting held on 4 June 2024.

It is considered good governance practice to regularly review this structure to clearly understand the Advisory Committee purpose and intent, and to ensure this is being met.

In line with governance practices the Terms of Reference are established to set guidelines for the operations of the Committees and are reviewed biennially. The Terms of Reference for the Community Safety Advisory Committee and Community Wellbeing Advisory Committee were reviewed and endorsed by Council at the 2<sup>nd</sup> Ordinary Council meeting of 16 April 2024, and the Terms of Reference for the Vibrant Economy Advisory Committee was reviewed and endorsed by Council at the 1<sup>st</sup> Ordinary Council meeting of 7 May 2024.

Each Advisory Committee has been established in consideration of Council's Palmerston Local Economic Plan and the Inclusive, Diverse and Accessible Policy Framework. A summary is provided below of each Advisory Committee:

#### 1. Vibrant Economy Advisory Committee (VEAC)

VEAC provides advice to Council relating to actions and priorities relating to the Palmerston Local Economic Plan and its Action Plan.

The roles of the Vibrant Economy Advisory Committee are to:

- Provide advice to Council in identifying economic development opportunities, improving the services provided to the community, in accordance with legislation and council policies.
- Provide strategic business focus, industry perspective and balanced input for the implementation of the Local Economic Plan and its Action Plan.
- Provide business perspective and advise on economic development issues or opportunities or Council's relevant plans and strategies.

#### 2. Community Wellbeing Advisory Committee (CWAC)

CWAC provides strategic advice to Council relating to the actions and priorities of the Inclusive, Diverse and Accessible Policy Framework, specifically towards achieving the three key elements of the City of Palmerston Community Plan:

- Palmerston is a welcoming vibrant family city that fosters diversity and unity
- In Palmerston everyone belongs
- In Palmerston everyone is safe

The roles of the Palmerston Wellbeing Advisory Committee are to:

- Provide advice to Council about strategies, programs and initiatives which increase access, inclusion and participation of people from the community, in accordance with legislation and council policy.
- Consider and endorse recommendations from its associated Networks to put forward for Council's consideration.
- Provide a structure through which the views and interests of the Palmerston community can be articulated for the attention of Council on inclusion matters.

#### 3. Community Safety Advisory Committee (CSAC)

CSAC provides strategic advice to Council on a range of community, social and animal wellbeing issues that may influence the Palmerston By-Laws, Council services and program development. The

Committee assists Council to identify, articulate and respond appropriately to new and emerging issues.

The roles of the Palmerston Safety Advisory Committee are to:

- Provide advice to Council about strategies, programs and initiatives which improve the safety, wellbeing, and interests of the Palmerston community, in accordance with legislation and council policy.
- Consider and endorse recommendations from its associated Networks to put forward for Council's consideration.
- Provide a structure through which the views and interests of the Palmerston community and interested parties can be articulated of the attending of Council on safety and wellbeing matters.

#### **DISCUSSION**

Advisory Committees of Council are established to assist the Council in meeting its obligations under the Act, Palmerston By-Laws, Council policies and Council strategies and plans.

Advisory Committees and Networks hold no decision-making powers, however, are formed with a group of suitably experienced people, to provide advice and recommendation to Council to inform their decision making.

An internal review has been undertaken of each Committee's performance over the term of the 10th Council.

#### **Current Status**

Since implementation of each committee there were a total of 23 meetings scheduled, however only 20 meetings have taken place. Three (3) meetings were deferred due to lack of quorum.

The meetings that were deferred due to lack of quorum are provided below:

- Community Safety Advisory Committee 22 November 2022 (deferred to 28 March 2023)
- Vibrant Economy Advisory Committee 25 March 2024 (deferred to 29 April 2024)
- Community Safety Advisory Committee 13 August 2024 (deferred to 19 September 2024)

Of the 20 committee meetings held, there have been a total of 21 decisions made relating to Action Reports, and 62 decisions made relating to Receive and Note Reports (a total of 83 decisions relating to officer reports).

These decisions are broken down as follows:

	CWAC	CSAC	VEAC	Total
Action Decision (OFFICER REPORTS ONLY)	6	6	9	21
Receive and Note Decisions (OFFICER REPORTS ONLY)	28	16	18	62

The number of memberships established under each Committee varies between Advisory Committees. Attendance at Committee meetings has been inconsistent with a decline in membership in some instances. The below provides context of the number of memberships to each committee and the number of attendees seen to each meeting:

	CWAC	CSAC	VEAC
Number of Committee Members as per Terms of Reference	Up to 8 members	Up to 11 members	Up to 10 members
Current Number of Committee Members	8	10	7
Number of Attendees at each meeting	24/11/2022: 7 30/03/2023: 8 29/06/2023: 6 28/09/2023: 7 30/11/2023: 8 27/03/2024: 5 13/06/2024: 4	28/03/2023: 6 27/06/2023: 9 26/09/2023: 6 28/11/2023: 7 26/03/2024: 6 14/05/2024: 6	21/11/2022: 6 27/03/2023: 7 26/06/2023: 5 25/09/2023: 5 27/11/2023: 4 29/04/2024: 4 22/07/2024: 5

CSAC currently has 3 vacant positions due to resignation of members. These resignations are as follows:

- Business Associations Representative Resignation September 2023
- Youth Community Member Representative Resignation March 2024
- Department of the Chief Minister and Cabinet Representative Resignation October 2024

It is noted that there are also two (2) positions within CSAC due to members not attending three (3) consecutive meetings, which is in accordance with the Terms of Reference. These positions are as follows:

- Community Member
- Northern Territory Families Representative

As per the Terms of Reference:

"A member who fails to attend three consecutive meetings without providing apology is considered to have resigned their membership."

A recommendation has been made to contact these members to advise them that they have resigned their membership due to non-attendance at three (3) consecutive meetings without apology.

The Terms of Reference for each Advisory Committee stipulates external committee membership is for a period of 2 years. At the time of writing this report a number of external committee memberships are due for review as per the Terms of Reference.

#### Recommendations

As there is less than 12 months until the next Local Government Election, it is being recommended that Council make no changes to the current Advisory Committee and Networks, and that a letter offering a membership extension be sent to the remaining Committee Members of each Advisory Committees for a continuation of membership term to the declaration of the poll following the Local Government Election 2025, with a response of acceptance due by 5pm 15 November 2024.

It is being recommended that Advisory Committees and Networks continue to meet quarterly, and that frequency of Networks may vary depending on the activities, actions, and activeness of membership.

Council staff will provide meeting information to members in advance. Council staff will attend Network meetings and provide a subsequent report to its next associated committee meeting on the group's outcomes.

Council may wish to consider that external members be remunerated for attending Advisory Committee meetings. Currently the only Advisory Committee that provides payment to its members is the Risk Management and Audit Committee, as this is a requirement under legislation. A payment to external committee members may encourage stronger engagement.

#### **CONSULTATION AND MARKETING**

The following City of Palmerston staff were consulted in preparing this Report:

- Executive Assistant General Manager People and Place (VEAC Minute Secretary)
- Executive Assistant General Manager Community (CSAC and CWAC Minute Secretary)

#### **POLICY IMPLICATIONS**

The following Council Policies apply:

- Elected Member Allowances and Expenses
- Code of Conduct for Elected Members and Committee Members

#### **BUDGET AND RESOURCE IMPLICATIONS**

Councillors holding a position as Member on an Advisory Committee and Network are entitled to claim Extra Meeting Allowance for attending meetings in accordance with Council Policy *Elected Member Allowances and Expenses*.

Independent members of the Risk Management and Audit Committee are remunerated in accordance with Class C1 NTG Statutory bodies classified for remuneration purposes.

#### **RISK, LEGAL AND LEGISLATIVE IMPLICATIONS**

Section 82 of the Act provides for councils to establish council committees. A Council Committee consists of the persons appointed by Council resolution to be members of the Committee.

In accordance with section 83(4) of the Act a Council Committee must have terms of reference, approved by resolution setting out its functions.

There is a risk to Council that if it does not regularly review the structure of Advisory Committees, it may not meet the objectives or the issues identified within its Community Plan, Palmerston Local Economic Plan and Inclusive, Diverse and Accessible Policy Framework.

Under the Act a council can review, establish and abolish its non-legislative Advisory Committees at any time by Council resolution.

To ensure ongoing continuous improvement and effectiveness of the Committees and Networks, it is recommended that a review be undertaken annually with a report to Council following the review.

This report addresses the following City of Palmerston Strategic Risks:

- 1. Community Safety
  - Failure of Council to effectively plan and deliver its role in community safety.
- 6. Governance
  - Failure to effectively govern.

#### STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This Report relates to the following City of Palmerston Strategies, Framework and Plans:

- Palmerston Local Economic Plan
- Inclusive, Diverse and Accessible Policy Framework

#### **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

#### **ATTACHMENTS**

## **COUNCIL REPORT**

2nd Ordinary Council Meeting

AGENDA ITEM: 13.1.3

**REPORT TITLE:** Laneway Management Policy - Consultation Outcomes

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** General Manager of Infrastructure, Nadine Nilon **APPROVER:** General Manager of Infrastructure, Nadine Nilon

#### **COMMUNITY PLAN**

Future Focused: Palmerston is an innovative city that sustains itself through the challenges of the future.

#### **PURPOSE**

This report seeks Council consideration of the submissions received during the public consultation period and to endorse the updated Laneway Mangement Policy.

#### **KEY MESSAGES**

- The Laneway Management Policy was first adopted in November 2020 and is due for review.
- The Policy aims to preserve municipal laneways and guide decisions on their treatment or closure, ensuring a consistent, evidence-based approach.
- The review of the Policy, and subsequent application process has been extensive and provides an updated framework for the management of Council owned laneways and methods for evaluating laneways that is consistent and transparent in accordance with Council's obligations
- The most significant changes to the policy are the introduction of;
  - consideration of all treatments potentially applicable to a laneway, including amending existing closures, night-time only closure and permanent closure, and
  - o a tiered approach for treatment assessment based on laneway category, enabling a more efficient process for some laneways.
- The application of the laneway categories, based on impact of active transport routes (ie additional distance a person needs to walk/cycle), has also been calculated for all laneways, enabling residents to be easily informed of the category and process for potential closure/treatment if requested.
- Consultation of the revised policy included writing to landowners' adjacent laneways and physical signage on Essential laneways and providing the City of Palmerston Community Safety and Wellbeing Advisory Committees the opportunity to provide comment.
- Public consultation of the revised policy commenced on 3 July and ended on 31 July, with 97 submissions received.
- Key themes of the feedback were;
  - Concerns of antisocial behaviour
  - Maintenance of the laneway, including litter
  - o Preference of laneways being closed, opened and/or maintaining current treatment
- All feedback has been considered with minor amendments made to the final Policy presented for endorsement.
- All existing laneways with a treatment (night-time closure, full-time closure) are recommended to continue indefinitely in line with the updated Policy.

• Community members that provided feedback will be responded to as appropriate to their feedback, along with thanking them for their contribution.

#### **RECOMMENDATION**

- 1. THAT Report entitled Laneway Management Policy Consultation Outcomes be received and noted.
- 2. THAT Council adopts the Laneway Management Policy being **Attachment 13.1.3.2** to the report entitled Laneway Management Policy Consultation Outcomes.
- 3. THAT a fee of \$500 is included within the 2024/25 Fees and Charges for landowner contribution for laneways approved for permanent closure, in accordance with the Laneway Management Policy.
- 4. THAT all current laneways closures, including night-time, continue indefinitely, with reviews to occur in accordance with the updated Laneway Management Policy.
- 5. THAT Council write to all submitters thanking them for their submissions and advising of the updated Laneway Management Policy.

#### **BACKGROUND**

Council adopted its first Laneway Management Policy in November 2020. The purpose of the Policy is to preserve the network of laneways within the municipality and to guide the decision-making process when considering a form of treatment or closure. The Policy is aimed at ensuring a consistent, evidence-based approach to laneways management and treatments, particularly in relation to public requests for closures. The Policy can be found at:

#### https://palmerston.nt.gov.au/community/community-safety/lanewaymanagement

Of Council's 120 laneways, currently there are 19 laneways under treatment, with the majority being night-time closures and the remainder being temporary full-time closures. The full-time closures are considered temporary as there is no decision, at this time, to permanently close the laneways.

Council requested at the 2nd Ordinary Council Meeting held on 16 May 2023, that the Laneway Management Policy was reviewed ahead of its initial schedule of late 2024. Since then, there have been workshops and information presented to Council to inform the draft Laneway Management Policy for consultation.

The current relevant decisions addressed in this report are as follows.

#### 13.1.7 Laneway Treatment and Laneway Management Policy Review

- 1.THAT Report entitled Laneway Treatment and Laneway Management Policy Review be received and noted.
- 2. THAT Council endorse the following key elements to be included in the Laneway Management Policy review, with a draft to be presented to Council by March 2024.
  - a. Consideration of a tiered closure process based on laneway categorisation.
  - b. Night-time closures as an option to be incorporated as part of the application and assessment process.
  - c. Process and timing for amending existing and potential future treatments of laneways that are not permanently closed.
  - d. Reconsideration of annual review process for laneways with existing treatments.

3. THAT Council approve the continuation of the existing twelve temporary part-time laneway closures and seven (7) full-time closures for a further twelve-month period, with a report to be prepared for Council by December 2024 for review, or as required following the updating of the Laneway Management Policy,

CARRIED 10/1138 - 12/12/2023

#### 13.1.3 Laneway Management Policy - Draft for Consultation

2. THAT Council to endorse the draft Laneway Management Policy, Attachment 13.1.3.2., for the purposes of community consultation to commence in July 2024 for a period of 28 days for expected endorsement from Council in October 2024.

CARRIED 10/1418 - 2/7/2024

The consultation process has now been completed, with the final Policy presented with this report for Council's adoption.

#### **DISCUSSION**

The Laneway Management Policy has been in effect since November 2020.

A review of the Policy has been undertaken to improve alignment with Council's position on laneway matters, improve efficiency and community outcomes. Changes to the Policy provide additional flexibility to community requests regarding treatments and transparency of the categorisation of each laneway.

The changes included in the draft Policy for consultation comprised of lessons learnt since the implementation of current Policy and discussions at Council workshops.

#### Tiered Laneway Treatment Process

Adopting a tiered framework linked to laneway transport category provides council with improved decision-making ability when considering laneway treatments and the impact it may have on community obligations.

In conjunction with the Policy review, laneway categorisation has been completed for all council laneways, classifying them into one (1) of three (3) categories, based on their active transport impact. This is the calculation of the potential impact of additional distances to travel to different points of interest, such as schools and shops, and is consistent with the previous categorisation calculation.

The Transport category for all laneways is included and will be available for the public to access. Laneway applications will be reviewed in line with their category and predetermined process.

Laneway Policy Flow Charts have also been updated to assist residents in understanding the process that aligns with the category of the laneway.

#### Additional Treatment Options in Application

The amending or change of Laneway treatments has been integrated into the update Policy to provide a clear option for residents to request temporarily closed laneways to be opened, or to propose new treatments for council to consider when receiving a laneway application. This also includes the ability for nighttime closure to be requested, rather than just the current permanent closure request.

#### **Treatment Review Period**

Improvements to laneway treatment reviews have been included as part of the updated Policy, with the focus on the continuation of current treatments. Currently, Council reviews the existing laneway treatments annually to determine if treatments should be continued for the next 12 months.

#### Fees

The current fee associated with the permanent closure of a Laneway has been amended and is now linked to the City of Palmerston fees and charges rather than being listed within the Policy. The fee will only apply following permanent closure approval in accordance with the updated Policy. The fee proposed is \$500 which aligns with the fee within the current Policy and is able to be reviewed annually as part of the budget process and fees and charges review.

#### **Consultation Outcomes**

Community consultation on the draft policy was conducted over a 28-day period, concluding on 31 July 2024. Information was made available on City of Palmerston website including previous laneway consultation reports, as well as on social media and NT Newsprint ad. In addition, letters were posted to 464 property owners adjacent to existing laneways.

Reports regarding the updated Policy were also presented to Council's Community Safety and Wellbeing Advisory Committees as part of the consultation process. Both committees noted and supported the reviewed Policy, with the following decisions from each;

#### 8.2.3 Laneway Management Policy - Consultation

- 1. THAT Report entitled Laneway Management Policy Consultation be received and noted.
- 2. THAT the Committee provides the following feedback to the Council regarding the draft Laneway Management Policy:
  - a. The committee supports the draft policy

CARRIED (7/0) - CWAC10/69 - 12/09/2024

#### 8.2.2 Laneway Management Policy - Consultation

- 1. THAT Report entitled Laneway Management Policy Consultation be received and noted.
- 2. THAT the Committee provides the following feedback to the Council regarding the draft Laneway Management Policy:
  - a. Clarity was sought on neighbour approval and police reports and a response was provided from the Mayor and General Manager Infrastructure to the matters raised.

CARRIED (6/0) - CSAC10/60 - 19/09/2024

The consultation process resulted in 97 feedback submissions from residents and property owners across seven (7) different suburbs, as illustrated in **Figure 1**. Additional information on each submission is presented in **Attachment 13.1.3.3** 

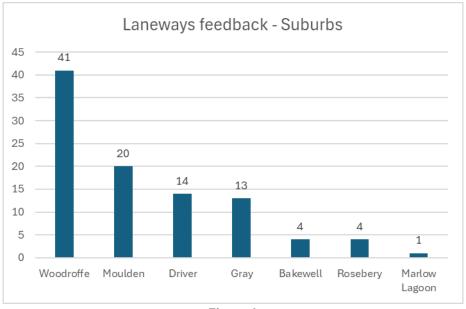

Figure 1

Additional analysis of the submissions is provided below for information.

#### **Laneway Treatment**

57 of the submissions commented on whether they had a preference to keep the laneway open, maintain current treatment, or apply a closure treatment. This is show in **Figure 2**.

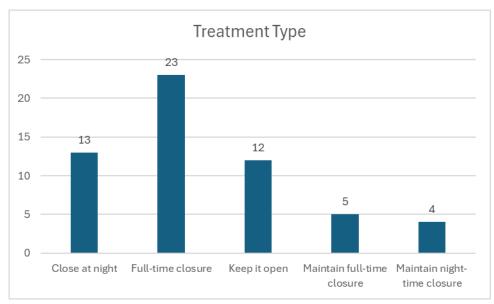

Figure 2

#### Close the Laneway at Night

Feedback received included commentary around the themes of antisocial behaviour, both related to the laneway and generally. Maintenance, including litter, were also regular issues raised. **Figure 3** provides a summary of the of the themes of issues raised.

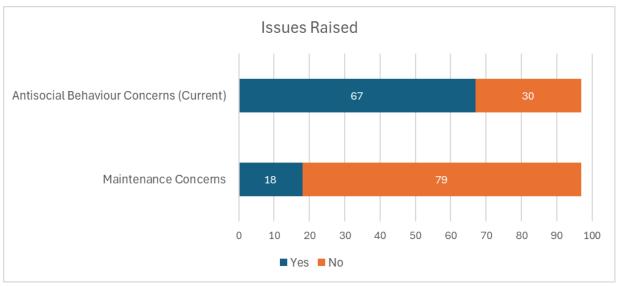

Figure 3

#### **Consultation Outcomes**

The main outcomes of the consultation related to the following, which have/will be addressed as relevant to the enquiry. -

- Request for the laneway to remain as per current treatment these queries have been noted, with no further action required.
- Request for laneway to be closed, or opened once the Policy is finalised and adopted, these residents will be contacted to advise of the Policy being in place and to outline the next steps if they would like to request a treatment to the laneway.
- Queries relating to the Policy wording these have been captured as relevant, including minor amendments to the final Policy.
- Maintenance concerns/issues these have been actioned as customer requests, and are being closely monitored as part of the commencement of the new landscape contracts.
- Reporting antisocial behaviour these comments relate to things people have seen and reported regarding anti-social behaviour, some of these comments also related to closing (or opening) the laneway. Comments relating to the laneway will be responded to, with further information to be added to the website about the importance of reporting antisocial behaviour, and who to.

Details of the relevant action to each request is provided in further detail in **Attachment 13.1.3.3**.

#### Final Laneway Management Policy

A final version of the Laneway Management Policy has been provided at **Attachment 13.1.3.2** for endorsement. This includes the minor amendments resulting from the consultation process as outlined in the tracked changes version at **Attachment 13.1.3.1**.

Following endorsement, submissions received will be updated and any outstanding actions completed. Further, all submitters will be thanked for their contribution to the Policy development.

The flow chart and application form will be finalised and uploaded to Council's website, along with updated commentary about the laneway management closure process to align with the updated policy. It is also recommended that a \$500 fee is included in the Council Fees and Charges, to apply following treatment approval as outlined within the Policy.

There is a current decision for laneways with existing treatments to be reviewed in December 2024, however it is recommended that on adoption of the updated Policy, that all current laneway treatments applied will continue indefinitely, with a review of current treatments be presented to council each council term to ensure aliment with current municipal strategies. This approach reduces the administrative requirement to seek annual Council approval to extend existing endorsed laneway treatments already endorsed by council.

#### **CONSULTATION AND MARKETING**

Completed community engagement:

- Comprehensive information made available on the website including previous laneway consultation reports
- Supporting documents that help community understand the updates
- Opportunity to provide feedback via online, in person, email or over the phone for an extended period of 28 days (normally 21 days)
- Letters directly to impacted stakeholders (residents immediately adjacent a laneway)
- Signage with consultation details on all 'essential category' laneways
- Information made available via social media platforms
- NT Newsprint ad

The following City of Palmerston staff were consulted in preparing this Report:

• Marketing and Communications Manager

The draft Policies were presented to Council's Community Safety and Wellbeing Advisory Committees as part of the consultation process. Both committees noted and supported the reviewed Policy.

#### **POLICY IMPLICATIONS**

When adopted, the revised Council Laneway Management Policy will replace the current policy.

#### **BUDGET AND RESOURCE IMPLICATIONS**

When the revised Laneway Management Policy is endorsed by Council, the City of Palmerston fees and charges will be revised to reflect the inclusion of the fee.

#### RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

- 1. Community Safety
  - Failure of Council to effectively plan and deliver its role in community safety.
- 7. Environmental Sustainability
  - Failure of Council to clearly articulate, plan for and deliver prudent and responsible environmental ambitions.

The revised Policy outlines the purposes of preserving the network of laneways within the City and guides decisions to ensure vital functions of laneways are considered when assessing treatment options. The revised Policy is aimed at ensuring a consistent, evidence-based approach to laneway management and treatments, particularly in relation to public requests for closures.

#### STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

The Community Infrastructure Plan, Inclusive, Diverse and Assessable Policy Framework and the Disability Inclusion and Access Plan have been considered in the development of the revised Laneway Management Policy.

#### **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

#### **ATTACHMENTS**

- 1. Laneway Management Policy Tracked changes following consultation [13.1.3.1 6 pages]
- 2. Laneway Managemet Policy Final version for endorsement [13.1.3.2 6 pages]
- 3. Laneway Consulation Summary [13.1.3.3 4 pages]

Name:	Laneway Managen	Laneway Management		
Type:	Council Policy	Council Policy

Responsible Officer:	General Manager I	General Manager Infrastructure		
Adopted Date:	[Approval Date]	Next Review Date:	[Next Review]	
Records Number:		Council Decision:		

#### 1 PURPOSE

This Policy outlines the criteria for preserving the network of laneways within the City, and guides decision making where a request to implement or remove a form of treatment of a laneway is received.

#### 2 PRINCIPLES

The principles that apply to the management of laneways are:

- Council recognises the purpose and function that laneways were created and where
  practicable, will retain laneways as a component of the pathway network.
- Council will act on Laneway Applications in line with the laneways given category.
- Council will advocate for the engagement of all relevant government agencies that
  may impact on social behaviour issues and influence community responses and views.
- The occurrence of anti-social and criminal behaviour is a community issue that may not be practical to address by laneway treatments or closures.
- A laneway that provides an overland stormwater flow path will not be considered for permanent closure.
- Council recognises that community expectations over time may change and that there will be different views within the community at any one time.

  When the community is the community at any one time.
- Wherever possible Council will seek to respond to the broad interests of the community when determining any treatment or closure of a laneway.

  The second of the community when determining any treatment or closure of a laneway.
- The permanent closure of a laneway within the road reserve requires the consent of the Minister for Local Government and the Minister responsible for the Control of Roads Act.

#### 3 DEFINITIONS

For the purposes of this Policy, the following definitions apply:

Term Definition				
Active Transport	Relates to physical activity undertaken as a means of transport between points of interest. It includes travel by foot, bicycle,			
	motorised scooters, and non-motorised vehicles.			
Community	Public, residents, or rate payers			
Fees and charges	Charges outlined in City of Palmerston's Fees and Charges.			
Full Time Closure	The closure of the laneway with locked gates with the duration of closure as determined by Council.			
Laneway	A laneway provides connectivity between roads and/or public open space. It could exist as road reserve or as part of a lot. It is typically less than 10m in width.			

**Deleted:** (Maximum of 12 months which will revert to open after this period)

LANEWAY MANAGEMENT Page **1** of **6** 

Laneway Application	A request to implement or remove a form of treatment of a laneway.
Laneway Category (Transport Category)	A method to calculate the significance of the laneway for Active Transport based on the level of disruption to points of interest and desirable destinations.
Laneway Transport Category - Essential	High significance for active transport options.
Laneway Transport Category - Less Essential	Moderate significance for active transport options.
Laneway Transport Category - Non-Essential	Low significance for active transport options.
Overland Stormwater Flow Path	Where the laneway provides overland flow paths to mitigate the risk of property inundation in a major storm rainfall (1:100 yr) event.
Part Time Closure or Night Closure	Typically involves daily closing of a laneway with locked gates, typically between the hours of 9:00pm and 6:30am with the duration of the daily closing as determined by Council. The time of closure will be assessed to suit the circumstances of the laneway.
Permanent Closure	The closing of a laneway by the creation of a new lot that is defined by the boundaries of the abutting properties, with the intent to dispose of the lot and consolidate into abutting properties.
Public Utility Easement (Linear or Transverse)	An easement established in the interest of a public utility provider for the purpose of protecting an underground service/s located within (linear) or across (transverse) a laneway.
Relevant Government Agencies	NT Police Force, Territory Housing, Territory Families, and other agencies involved with the provision of social services.

#### 4 POLICY STATEMENT

#### 4.1 Rationale

- 4.1.1 The retention of laneways to enable active transport options is Council's preferred option.
- 4.1.2 Where social issues associated with anti-social or criminal activity are occurring within the vicinity of a laneway the initial response is to engage with relevant government agencies to identify reactive and proactive intervention options, prior to considering the use of laneway treatments.
- 4.1.3 The permanent closure of a laneway will be considered by Council in special circumstances where the closure of the laneway does not unreasonably impact on active transport options within the vicinity of the laneway. The impact assessment includes several information sources outlined in the Policy.

LANEWAY MANAGEMENT

#### 4.2 Laneway Application

4.2.1 For Council to consider treatment of a laneway, a Laneway Application form must be completed and submitted by the owner of a property adjacent the laneway.

Deleted:

- 4.2.2 The form will include the following to be accepted by Council:
  - a) All abutting property owners' signatures, with the acknowledgment of cost applied.
  - Reasons for requesting the proposed treatment, with supporting documentation.
  - Indication of the proposed laneway treatment, being temporary part time
  - closure, temporary full-time closure, permanent closure, or laneway opening. Details of incidents reported to NT Police with dates, times, and promise/report numbers.
  - Period of occupancy of the property owner.
  - A non-refundable fee will be paid to Council once it determines the actions from the proposed Laneway Application in accordance with the Fees and Charges.
  - Acknowledgement that payment to City of Palmerston is required for the portion of the closed laneway that may be amalgamated with their property prior to undertaking the permanent closure following Ministerial consent for permanent closure (where required).
- 4.2.3 The amendment of an existing laneway treatment will be considered by Council in the form of a Laneway application, the submission must contain or have attached relevant documents to support the proposed change in treatment or removal of
- 4.2.4 Where a request has been previously considered Council, a further application will not be considered for twelve months unless there is a demonstrable and significant change in circumstances from the original request.

- Council will respond to a Laneway request no later than three months from receipt of a conforming Laneway Application.
- The implementation of a treatment can take up to 12 months to apply.
- Where an abutting property owner is the Northern Territory Government, Council will liaise directly with the relevant agency.

Deleted: <#>Where a resident is not the owner of the property, the property owner is required to make the application.  $\P$ 

LANEWAY MANAGEMENT

Page 3 of 6

#### 4.3 Laneway Assessment

Where a completed application for closure has been received, Council will undertake the following actions in line with the laneway Transport Category.

#### 4.3.1 Essential

Laneways categorised as Essential are not automatically considered to meet the requirements for laneway treatment. Requests for treatment of Essential laneways will be presented to Council for consideration of treatment prior to community consultation or extensive data gathering.

#### Preliminary investigation

- a. Assess the laneway in respect of stormwater function.
- b. Obtain information on underground services within the laneway.
- c. Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- Request information from relevant government agencies and non-government organisations on local issues.
- e. Report to Council to determine whether to proceed to detailed investigation.

#### **Detailed Investigation**

- a. Survey a minimum 20 properties within the immediate vicinity of the laneway
- b. Install a CCTV camera at one end of the laneway for a period of not less than three weeks to obtain laneway usage data.
- c. Report to Council.
- d. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

#### 4.3.2 Less Essential

Laneways with a category of Less Essential may meet the requirements for laneway treatment, subject to consultation and investigation.

#### Preliminary investigation

- a. 4-week localised consultation through signage at the Laneway to seek feedback from the community.
- b. Assess the laneway in respect of stormwater function.
- c. Obtain information on underground services within the laneway.
- Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- Request information from relevant government agencies and non-government organisations on local issues.
- f. Report to Council whether to proceed to detailed investigation.

#### Detailed Investigation

- Install a CCTV camera at one end of the laneway for a period of not less than three weeks to obtain laneway usage data.
- b. Report to Council.
- c. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

LANEWAY MANAGEMENT

Page 4 of 6

# **POLICY**

#### 4.3.3 Non-Essential

Laneways with a category of non-essential are considered to have the highest potential for treatment to be applied.

- a. Assess the laneway in respect of stormwater function.
- b. Obtain information on underground services within the laneway.
- Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- Request information from relevant government agencies and non-government organisations on local issue.
- e. Four-week localised consultation through signage at the Laneway to seek feedback from the community.
- f. Report to Council for decision.
- g. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

#### 4.4 Criteria for permanent closure of a laneway

Permanent closure of a Laneway will only be considered where all of the following criteria are satisfied:

- a. The Laneway does not provide an overland stormwater flow path.
- Agreement with abutting landowners ensures that the whole of the laneway will be disposed of through amalgamation with the abutting properties.
- c. The abutting landowners have acknowledged and agreed to the contribution to costs for the closure of the laneway and the payment for the portion of closed laneway (inclusive of easements where applicable) to be amalgamated with their property.
- d. The Laneway does not form part of an emergency access or escape.
- e. Service Authorities agree to the closure of the laneway with appropriate easements in place (where relevant).

NOTE: The purpose of the policy is to avoid the retention of small and isolated parcels of land held by Council that serve no long-term benefit or purpose for the community.

#### 4.5 Amending Existing Laneway Treatments (Not Permanently closed)

- 4.5.1 Council may consider amending an existing laneway treatment, Council requires the following;
- a. Completed Laneway Application with proposed new treatment; and
- Supporting documentation, the submission must contain or have attached relevant documents to support the proposed change in treatment.
- 4.5.2 Council will consider the Laneway Application and supporting documents for decision.
- 4.5.3 Council will determine if alterations will be applied to the laneway treatment.

LANEWAY MANAGEMENT

Page **5** of **6** 

# **POLICY**

- 4.5.5 Council will not consider changes to laneway treatment under 12 months after a Council decision has already been implemented, amended, or declined.
- 4.6 Review process for existing laneway treatments
  - 4.6.1 Laneways with active treatments applied will continue indefinitely until Council approves a change in treatment.
  - 4.6.2 Laneways that have a treatment in place will be reviewed for alignment to the Policy each Council term.
- 4.7 Landowner contribution and purchase of land
  - 4.7.1 All associated costs relating to the amalgamation of the laneway is the responsibility of the applicant or absorbing landowners.
  - 4.7.2 A deposit will be required prior to actioning public consultation for the proposed permanent closure, in accordance with Council's fees and charges.
  - 4.7.3 The deposit may be used as part of the amalgamation cost, with any unused funds returned if the land transfer doesn't proceed.
  - 4.7.4 Where a landowner has agreed to amalgamate a portion of the closed laneway with their property, the value of the closed portion will be calculated as follows:
  - a. The value of the original property will be determined,
  - b. The combined (original plus portion of laneway) property will be calculated,
  - c. The amount to be paid will be the difference between the two values.
  - 4.7.5 The Land values and cost will be determined by a Certified Practicing Valuer and subject to review by the Valuer General where required.
- 5 ASSOCIATED DOCUMENTS
  - 5.1 City of Palmerston Laneway Category Flow Charts

The principles that apply to the management of laneways are:

- Council recognises the purpose and function that laneways were created and where
  practicable, will retain laneways as a component of the pathway network.
- Council will act on Laneway Applications in line with the laneways given category.
- Council will advocate for the engagement of all relevant government agencies that may impact on social behaviour issues and influence community responses and views.
- The occurrence of anti-social and criminal behaviour is a community issue that may not be practical to address by laneway treatments or closures.
- A laneway that provides an overland stormwater flow path will not be considered for permanent closure.
- Council recognises that community expectations over time may change and that there will be different views within the community at any one time.
- Wherever possible Council will seek to respond to the broad interests of the community when determining any treatment or closure of a laneway.
- The permanent closure of a laneway within the road reserve requires the consent of the Minister for Local Government and the Minister responsible for the Control of Roads Act.

#### 3 DEFINITIONS

For the purposes of this Policy, the following definitions apply:

Term	Definition
Active Transport	Relates to physical activity undertaken as a means of transport between points of interest. It includes travel by foot, bicycle, motorised scooters, and non-motorised vehicles.
Community	Public, residents, or rate payers
Fees and charges	Charges outlined in City of Palmerston's Fees and Charges.
Full Time Closure	The closure of the laneway with locked gates with the duration of closure as determined by Council.
Laneway	A laneway provides connectivity between roads and/or public open space. It could exist as road reserve or as part of a lot. It is typically less than 10m in width.

LANEWAY MANAGEMENT Page **1** of **6** 

Laneway Application	A request to implement or remove a form of treatment of a laneway.
Laneway Category (Transport Category)	A method to calculate the significance of the laneway for Active Transport based on the level of disruption to points of interest and desirable destinations.
Laneway Transport Category - Essential	High significance for active transport options.
Laneway Transport Category - Less Essential	Moderate significance for active transport options.
Laneway Transport Category - Non-Essential	Low significance for active transport options.
Overland Stormwater Flow Path	Where the laneway provides overland flow paths to mitigate the risk of property inundation in a major storm rainfall (1:100 yr) event.
Part Time Closure or Night Closure	Typically involves daily closing of a laneway with locked gates, typically between the hours of 9:00pm and 6:30am with the duration of the daily closing as determined by Council.  The time of closure will be assessed to suit the circumstances of the laneway.
Permanent Closure	The closing of a laneway by the creation of a new lot that is defined by the boundaries of the abutting properties, with the intent to dispose of the lot and consolidate into abutting properties.
Public Utility Easement (Linear or Transverse)	An easement established in the interest of a public utility provider for the purpose of protecting an underground service/s located within (linear) or across (transverse) a laneway.
Relevant Government Agencies	NT Police Force, Territory Housing, Territory Families, and other agencies involved with the provision of social services.

# 4 POLICY STATEMENT

# 4.1 Rationale

- 4.1.1 The retention of laneways to enable active transport options is Council's preferred option.
- 4.1.2 Where social issues associated with anti-social or criminal activity are occurring within the vicinity of a laneway the initial response is to engage with relevant government agencies to identify reactive and proactive intervention options, prior to considering the use of laneway treatments.
- 4.1.3 The permanent closure of a laneway will be considered by Council in special circumstances where the closure of the laneway does not unreasonably impact on active transport options within the vicinity of the laneway. The impact assessment includes several information sources outlined in the Policy.

LANEWAY MANAGEMENT Page 2 of 6

#### 4.2 Laneway Application

- 4.2.1 For Council to consider treatment of a laneway, a Laneway Application form must be completed and submitted by the owner of a property adjacent the laneway.
- 4.2.2 The form will include the following to be accepted by Council:
  - a) All abutting property owners' signatures, with the acknowledgment of cost applied.
  - b) Reasons for requesting the proposed treatment, with supporting documentation.
  - Indication of the proposed laneway treatment, being temporary part time closure, temporary full-time closure, permanent closure, or laneway opening.
  - Details of incidents reported to NT Police with dates, times, and promise/report numbers.
  - e) Period of occupancy of the property owner.
  - f) A non-refundable fee will be paid to Council once it determines the actions from the proposed Laneway Application in accordance with the Fees and Charges.
  - g) Acknowledgement that payment to City of Palmerston is required for the portion of the closed laneway that may be amalgamated with their property prior to undertaking the permanent closure following Ministerial consent for permanent closure (where required).
- 4.2.3 The amendment of an existing laneway treatment will be considered by Council in the form of a Laneway application, the submission must contain or have attached relevant documents to support the proposed change in treatment or removal of treatment.
- 4.2.4 Where a request has been previously considered Council, a further application will not be considered for twelve months unless there is a demonstrable and significant change in circumstances from the original request.

#### NOTE:

- Council will respond to a Laneway request no later than three months from receipt of a conforming Laneway Application.
- The implementation of a treatment can take up to 12 months to apply.
- Where an abutting property owner is the Northern Territory Government, Council will liaise directly with the relevant agency.

LANEWAY MANAGEMENT

Page 3 of 6

#### 4.3 Laneway Assessment

Where a completed application for closure has been received, Council will undertake the following actions in line with the laneway Transport Category.

#### 4.3.1 Essential

Laneways categorised as Essential are not automatically considered to meet the requirements for laneway treatment. Requests for treatment of Essential laneways will be presented to Council for consideration of treatment prior to community consultation or extensive data gathering.

#### Preliminary investigation

- a. Assess the laneway in respect of stormwater function.
- b. Obtain information on underground services within the laneway.
- c. Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- d. Request information from relevant government agencies and non-government organisations on local issues.
- e. Report to Council to determine whether to proceed to detailed investigation.

#### **Detailed Investigation**

- a. Survey a minimum 20 properties within the immediate vicinity of the laneway
- b. Install a CCTV camera at one end of the laneway for a period of not less than three weeks to obtain laneway usage data.
- c. Report to Council.
- d. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

#### 4.3.2 Less Essential

Laneways with a category of Less Essential may meet the requirements for laneway treatment, subject to consultation and investigation.

# Preliminary investigation

- 4-week localised consultation through signage at the Laneway to seek feedback from the community.
- b. Assess the laneway in respect of stormwater function.
- c. Obtain information on underground services within the laneway.
- d. Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- e. Request information from relevant government agencies and non-government organisations on local issues.
- f. Report to Council whether to proceed to detailed investigation.

#### Detailed Investigation

- a. Install a CCTV camera at one end of the laneway for a period of not less than three weeks to obtain laneway usage data.
- b. Report to Council.
- c. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

LANEWAY MANAGEMENT Page **4** of **6** 

#### 4.3.3 Non-Essential

Laneways with a category of non-essential are considered to have the highest potential for treatment to be applied.

- a. Assess the laneway in respect of stormwater function.
- b. Obtain information on underground services within the laneway.
- c. Request information from NT Police relating to the vicinity of the laneway covering the most recent quarterly reporting period.
- d. Request information from relevant government agencies and non-government organisations on local issue.
- e. Four-week localised consultation through signage at the Laneway to seek feedback from the community.
- f. Report to Council for decision.
- g. If treatment approved, relevant fee (if applicable) to be paid to Council in accordance with the City of Palmerston fees and charges.

#### 4.4 Criteria for permanent closure of a laneway

Permanent closure of a Laneway will only be considered where all of the following criteria are satisfied:

- a. The Laneway does not provide an overland stormwater flow path.
- b. Agreement with abutting landowners ensures that the whole of the laneway will be disposed of through amalgamation with the abutting properties.
- c. The abutting landowners have acknowledged and agreed to the contribution to costs for the closure of the laneway and the payment for the portion of closed laneway (inclusive of easements where applicable) to be amalgamated with their property.
- d. The Laneway does not form part of an emergency access or escape.
- e. Service Authorities agree to the closure of the laneway with appropriate easements in place (where relevant).

NOTE: The purpose of the policy is to avoid the retention of small and isolated parcels of land held by Council that serve no long-term benefit or purpose for the community.

#### 4.5 Amending Existing Laneway Treatments (Not Permanently closed)

- 4.5.1 Council may consider amending an existing laneway treatment, Council requires the following;
  - a. Completed Laneway Application with proposed new treatment; and
  - b. Supporting documentation, the submission must contain or have attached relevant documents to support the proposed change in treatment.
- 4.5.2 Council will consider the Laneway Application and supporting documents for decision.
- 4.5.3 Council will determine if alterations will be applied to the laneway treatment.

LANEWAY MANAGEMENT Page **5** of **6** 

4.5.5 Council will not consider changes to laneway treatment under 12 months after a Council decision has already been implemented, amended, or declined.

#### 4.6 Review process for existing laneway treatments

- 4.6.1 Laneways with active treatments applied will continue indefinitely until Council approves a change in treatment.
- 4.6.2 Laneways that have a treatment in place will be reviewed for alignment to the Policy each Council term.
- 4.7 Landowner contribution and purchase of land
  - 4.7.1 All associated costs relating to the amalgamation of the laneway is the responsibility of the applicant or absorbing landowners.
  - 4.7.2 A deposit will be required prior to actioning public consultation for the proposed permanent closure, in accordance with Council's fees and charges.
  - 4.7.3 The deposit may be used as part of the amalgamation cost, with any unused funds returned if the land transfer doesn't proceed.
  - 4.7.4 Where a landowner has agreed to amalgamate a portion of the closed laneway with their property, the value of the closed portion will be calculated as follows:
    - a. The value of the original property will be determined,
    - b. The combined (original plus portion of laneway) property will be calculated,
    - c. The amount to be paid will be the difference between the two values.
  - 4.7.5 The Land values and cost will be determined by a Certified Practicing Valuer and subject to review by the Valuer General where required.

# COUNCIL REPORT

2nd Ordinary Council Meeting

AGENDA ITEM: 13.1.4

**REPORT TITLE:** Palmerston Recreation Centre Operational Use

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** General Manager Community, Konrad Seidl **APPROVER:** Chief Executive Officer, Amelia Vellar

#### **COMMUNITY PLAN**

Family and Community: Palmerston is a safe and family friendly community where everyone belongs.

#### **PURPOSE**

This Report seeks Council approval to undertake a three (3) month trial to alter the operating model of the Palmerston Recreation Centre.

#### **KEY MESSAGES**

- City of Palmerston is committed to ensuring safe and accessible spaces are available for the community.
- City of Palmerston has committed to providing free facility hire for Not-for-Profit groups until June 2025.
- The Palmerston Recreation Centre is a popular venue with a diverse group of users that utilise the community rooms and stadium.
- It is important that all users of Council facilities are safe.
- Unfortunately, there have been ongoing incidents of antisocial behaviour in and around the Palmerston Recreation Centre, resulting in staff and users feeling unsafe at times
- The Palmerston Recreation Centre does have security assistance intermittently but not for all opening hours.
- There is the potential for additional community spaces within the Centre to be used as bookable areas for informal meetings.
- To minimise the risk of Antisocial Behaviour at the centre, in addition to providing additional community space, it is proposed that a three (3) month trial be implemented to change the operating model of the Palmerston Recreation Centre.
- If City of Palmerston were to continue the existing open-door practice, adequate measures would be required to mitigate the risks to users and staff and to provide an appropriate response to people accessing the facility. This could include a permanent presence of outreach services which would need to be explored and costed or an increased security presence across all hours of booking times.

#### **RECOMMENDATION**

- 1. THAT Report entitled Palmerston Recreation Centre Operational Use be received and noted.
- 2. THAT Council approve a three (3) month trial, commencing 1 November 2024, to:
  - a. Introduce additional, informal meeting spaces that are able to be booked, in the Palmerston Recreation Centre foyer.

- b. Provide full public access to the Palmerston Recreation Centre including access to the showers and toilets, between 8am to 10am, Monday to Friday, excluding days when the facility is closed.
- c. Provide access to the Palmerston Recreation Centre to users with a booking only, from 10am onwards Monday to Friday.
- 3. THAT a further report that outlines the impacts and suggested continuation, or not, of the change in operating model for the Palmerston Recreation Centre, is presented to Council by the second ordinary meeting of February 2025.

#### **BACKGROUND**

The Palmerston Recreation Centre offers versatile community rooms and sporting facilities designed to serve the needs of Palmerston residents, providing spaces for a wide range of events, activities, and sports. City of Palmerston has committed to providing free facility hire for Not-for-Profit groups until June 2025. The stadium within the Palmerston Recreation Centre is utilised by eight (8) basketball groups, as well as for volleyball, netball, badminton, and various community events. The Community Rooms accommodate diverse activities such as yoga, Zumba, Pilates, dance, and sword fighting, in addition to hosting meetings, training sessions, and religious gatherings. The Centre is a popular and essential community facility in the Palmerston CBD.

The 2024 City of Palmerston Community Satisfaction Survey provided a positive result in relation to the Recreation Centre with a score of 7.53, a 0.38 improvement on the previous year. Conversely, crime and safety have been an ongoing concern for the Palmerston community over several years, this year again being the highest detractor at 74 percent. The recommendations within this report provide an avenue for Council to demonstrate action toward addressing safety issues, potentially improving the community sentiment toward safety and the Recreation Centre.

The report seeks to address the following two issues, through the recommended implementation of a three (3) month trial to alter the operating model of the Palmerston Recreation Centre:

- Respond to public inquiries for additional meeting spaces in the Palmerston CBD; and
- To ensure that users and staff of the Palmerston Recreation Centre are safe, and the centre is utilised appropriately.

### **DISCUSSION**

The driver for recommending a change to the operating model comes from ongoing incidents of antisocial behaviour in and around the Palmerston Recreation Centre that have placed users and staff at personal risk. Staff have received feedback from the users of the Centre that they frequently do not feel safe in the Centre including members of the senior's community and other users such as baby groups. User behaviour within the building and externally are currently managed by staff and Goyder Square Security when incidents occur. Staff have been intermittently locking the building front door when tensions appear high in the building proximity or as needed.

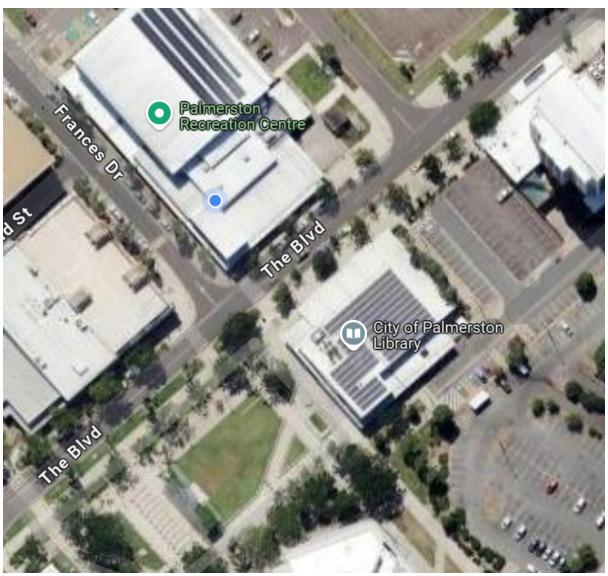

City of Palmerston has responsibilities for staff and patrons under the Work Health and Safety (National Uniform Legislation) Act 2011 to protect workers and other persons against harm to their health, safety and welfare through the elimination or minimisation of risks.

The existing building design and proximity of staff does not provide an ability for staff to monitor who is in the building from all angles. The corridors are currently unmonitored as is the entry to the toilets, and bookable spaces. It is also not the role of council staff to manage anti-social behaviour in community centres. The Palmerston Recreation Centre does have security assistance intermittently at the site but not for all opening hours.

Providing accessible spaces for the entire community is important and the nearby City of Palmerston Library, including the foyer space, is available for all members of the community for respite from weather and has public toilets and drinking water facilities. Currently, the Recreation Centre is utilised for similar purposes, in addition to having shower facilities, which are mostly utilised in the morning.

The Recreation Centre has the ability to provide additional, bookable, spaces for the community in the foyer area(s). With the areas currently able to be accessed at most times, this is not an option that is able to be provided to the community.

**Image: Palmerston Recreation Centre and Library locations** 

Currently showers at the Recreation Centre are available for the public at all times and are utilised by booking groups and people experiencing homelessness. This presents challenges in monitoring the bathrooms, hygiene, and cleanliness, however, also provides an important service to vulnerable members of our community. While City of Palmerston is demonstrating good will in providing accessibility to showers and other services, it should be noted that there are other Government agencies and Not-For-Profit Organisations that are better positioned to provide wrap around services for people experiencing

homelessness in the community. City of Palmerston support Orange Sky to provide shower services and laundry services once a week from the Recreation Centre.

The current operating model for the Recreation Centre is not equipped to provide the support services needed for people experiencing homelessness whilst providing a safe space for community bookings and staff.

Officers recommend the provision of full public access to the Palmerston Recreation Centre including access to showers and toilets, remain available between 8am to 10am, Monday to Friday. This ensures that this service is still available for the community, with the recommended change being that after these times, that the Centre is only available to users that have a booking. This time is suggested due to internal data showing that less antisocial behaviour is witnessed at this time. It is recommended that this is trialled for 3 months with a report to Council outlining the success or otherwise coming back to the Chamber in February 2025. Officers recommend that this trial begins 1 November to allow time to notify the community.

As has been noted, this would then provide an opportunity to expand City of Palmerston booking options with the introduction of a Community/Business Hub for informal meeting spaces in the foyer area of the Recreation Centre.

The identified spaces are able to be added to existing booking systems free of charge, with the potential for both community groups and business users to be able to book the space(s).

Concept options have previously been prepared for consideration, with the below an example of the type of areas that would be implemented for bookings.

Image: Concept image of potential bookable spaces at the Palmerston Recreation Centre.

In summary, it is recommended that a new operational model is trialled at the Palmerston Recreation Centre for a three (3) month period, commencing on the 1 November 2024. This model will include;

- Addition of new, bookable, spaces within the Recreation Centre foyer area,
- Continuation of availability for shower and bathroom facilities for the community from 8am to 10am Monday to Friday (excluding public holidays and other periods of the facility being closed).

 Access to the Recreation Centre outside of 8am to 10am (Monday to Friday) is limited to users that have a booking.

#### **CONSULTATION AND MARKETING**

The following City of Palmerston staff were consulted in preparing this Report:

- Executive Manager Projects and Infrastructure Services
- City Activation Manager
- Community Services Manager
- Library Services Manager
- Health Safety and Wellbeing Coordinator

In preparing this Report, the following external parties were consulted:

• Officer in Charge Palmerston Police Station

#### **POLICY IMPLICATIONS**

There are no policy implications for this Report.

#### **BUDGET AND RESOURCE IMPLICATIONS**

The procurement of furniture and items for the Community/Business Hub Meeting spaces will be acquired through existing approved budgets.

#### RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

City of Palmerston has clear responsibilities for staff and patrons under the Work Health and Safety (National Uniform Legislation) Act 2011 to protect workers and other persons against harm to their health, safety and welfare through the elimination or minimisation of risks.

Everyone has a right to be safe at work and this is enshrined in law. Staff have a right to be able to do their job without being or feeling threatened. Intentional acts of intimidation, violence against members of our staff and community will not be tolerated and Police are called in these instances.

If City of Palmerston were to continue the existing open-door practice, adequate measures would be required to mitigate the risks to users and staff and to provide an appropriate response to people accessing the facility. This could include a permanent presence of outreach services which would need to be explored and costed or an increased security presence across all hours of booking times. An increase in security service to this level would be an additional cost of approximately \$115,000 per year.

City of Palmerston staff attend the Northern Territory Government led interagency Daily Patrollers Meeting and the fortnightly Interagency Tasking and Coordination Groups, actively participating in discussions to identify locations of people requiring support, how collectively that support can be provided and how issues in the community may be addressed through various agencies.

This Report addresses the following City of Palmerston Strategic Risks:

Community Safety
 Failure of Council to effectively plan and deliver its role in community safety.

# STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This Report relates to the following City of Palmerston Strategies, Framework and Plans:

- Inclusive, Diverse and Accessible Policy Framework
- Palmerston Local Economic Plan 2021-2031

# COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

# **ATTACHMENTS**

# COUNCIL REPORT

2nd Ordinary Council Meeting

AGENDA ITEM: 13.2.1

**REPORT TITLE:** People and Place Quarterly Report - July to September 2024

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Assistant to General Manager People & Place, Emily Dehne

**APPROVER:** Acting General Manager People and Place, Emma Blight

#### **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

#### **PURPOSE**

This Report presents the key activities undertaken by the People and Place Directorate in the July to September 2024 quarter.

#### **KEY MESSAGES**

- The inaugural Darwin Festival in Palmerston was held on 16 and 17 August 2024 with almost 550 people attending.
- This quarter saw the final three (3) FlicNics and two (2) Live at the Lake Events held in the Community.
- Aquafest 2024, the closing event for Water Safety Week saw over 400 people attend the event to further education the community around Water, Sun, Crocodile, Recreation Fishing Safety, Weed Management and role of the Emergency Services.
- Council Officers are continuing to review and analysis the Crime Prevention through Environmental Design Audit (CPTED), ensuring future priority actions are aligned with the Palmerston Local Economic Plan.
- City of Palmerston promoted seven (7) events, programs and campaigns via placements including social media, newspaper, print, radio, and television over the reporting period.
- Reboot your Loot was held in August bringing environment sustainability to the community at its annual car boot sale.
- City of Palmerston welcomed 96 new citizens at three (3) ceremonies with two (2) ceremonies being held on 1 August and the third held on the 75<sup>th</sup> Anniversary of Citizenship Day on 17 September.
- The current Enterprise Agreement expired in April 2024 and negotiations are still underway.
- The July to September quarter saw fifteen (15) new employees welcomed to the City of Palmerston and we bid farewell to thirteen (13) employees.
- The People team is undertaking a Human Resource Information System upgrade.
- During this quarter, in celebration of the Paris Olympics, City of Palmerston organised the Palmy Olympics to foster cross organisation collaboration. Additionally, employees participated in a wellbeing Yoga session at the Recreation Centre in recognition of R U OK? Day.
- There were five (5) Community Engagements and seven (7) marketing and communications campaigns throughout the quarter.
- We received an increase of 418 followers across all social platforms.
- A total of nine (9) media releases received 45 pieces of earnt media through the period.
- Website visitation increased by 13.5%.

#### **RECOMMENDATION**

THAT Report entitled People and Place Quarterly Report - July to September 2024 be received and noted.

#### **BACKGROUND**

The People and Place Directorate provides a quarterly report to Council on key activities undertaken during the quarter. The Directorate includes Marketing and Communications, City Activation, People and Customer Experience, which includes Safety and Wellbeing, and Strategic Projects.

This Report presents to Council key activities undertaken by People and Place in the July to September 2024 quarter.

#### **DISCUSSION**

As mostly enabling functions, the departments within the People and Place Directorate support organisational activities aligned to City of Palmerston's Community Plan outcomes and objectives. The below provides a summary of the Directorate's activities for the last quarter.

#### **Family and Community**

We focus on families

#### **Darwin Festival**

The inaugural Darwin Festival in Palmerston took place over two (2) spectacular nights on Friday 16 and Saturday 17 August 2024.

As a Major Partner of Darwin Festival, City of Palmerston cemented the opportunity to showcase the vibrancy of the Municipality, further positioning Palmerston as a cultural destination within the Northern Territory, The festival created a platform for Palmerston to enhance its cultural identity whilst providing entertainment for our community.

# Friday 16 August - Family Fiesta

Over 5,500 people attended the Family Fiesta, taking centre stage at the busy Friday night Palmerston Markets. The evening began with Sean Choolburra, whose Didj and Dance performance entertained the crowd, with further performances from ARIA-Award winners The Teeny Tiny Stevies encouraging families to sing along before Lisa Pelligrino and her troupe jumped on stage for the Kids Club Spectacular.

Families enjoying Family Fiesta

Councillor Morrison participating in the Silent Disco at Friday Night's Family Fiesta

There was still plenty to do for all attendees. DJ Guru Dudu was kept busy all evening leading the Silent Disco Walking Tour and the towering Snuff Puppets, and giant roaming seagulls swooped playfully through the crowds. The night finished with an after dark performance of some unique tropical-country sounds by *In The Pink*, bringing a fun and lively evening to a close.

#### Saturday 17 August - Palmerston Laugh Out Loud

Palmerston Laugh Out Loud brought an adult-focused vibe to Goyder Square, with an evening filled of laughter and cabaret. Merrick Watts hosted the Comedy gala whilst the night also featured performances by renowned comedians, Nikki Britton, Dilruk Jayasingha and local legend Kelly Gulliver.

Comedy Night, three (3) Comedians

**Mayor Pascoe- Bell and Councillor Henderson** 

Almost 550 people attended the two (2) shows, with Palmerston CBD being a hive of activity, turning Goyder Square into Palmerston's own version of Festival Park.

# Flicnics - 13 July, 10 August and 21 September

FlicNics continued to attract strong community interest, bringing families together for outdoor movie nights.

The screening of *Barbie* at Joan Fejo Park in Rosebery drew 164 attendees, while 195 people gathered at William Kirby Park in Zuccoli to enjoy popular film, *Kung Fu Panda 3*. The September screening of *Migration* was located at SWELL Palmerston in Moulden, where it attracted a turnout of 50 people.

Attendees enjoying the Flicnics Series

The events consistently fostered a warm and inviting atmosphere, with families enjoying not only the movies but also the pre-show entertainment, which featured popular activities like face painting and roving performers. FlicNics remains a cherished event, creating shared experiences and memorable moments for all who attend

# Live at the Lake - 20 July and 17 August

Live at the Lake continues to be a popular dry season event, celebrating live music and fostering community connection.

**Children Engaging in the new Activities** 

**Children Engaging in the new Activities** 

Interest in Live at the Lake has grown steadily, thanks in part to the engaging entertainment activities that proved popular with attendees. The cooler evenings provide the perfect backdrop for enjoying live music outdoors, making these events a true highlight of the season.

In July, Prayer Corby mesmerised the audience at Sanctuary Lakes, drawing 250 attendees while in August, Adam Scriven's distinctive sound filled the air at Durack Community Centre, with 108 attendees enjoying the performance. This setting created a relaxed and welcoming vibe, allowing friends and families to unwind and enjoy quality time together.

As a new addition this year, each event highlighted emerging talent, with the first 30 minutes dedicated to showcasing young local artists like Saanvi and B3. In August, we were thrilled to feature performances from Palmy's Got Talent winners Tops Rods and dance performer Delaney Goodwin, adding an exciting finale to this year's Live at the Lake series.

#### Aquafest - 21 September

City of Palmerston, in conjunction with Royal Life Saving Society NT and Belgravia, held a water safety awareness event 'Aquafest' at SWELL. Attendees had an enjoyable day out, with different stallholders educating the community on all aspects of water safety specifically:

- Royal Life Saving NT discussing water safety and providing information on learn to swim,
- Cancer Council offering advice on sun safety,
- Croc Wise NT discussing the dangers of swimming in streams, lakes and crocodile safety and management,
- Water safety and learn to swim activities were provided by Belgravia staff with rescue activities, and fitting and entering the water correctly using a life jacket demonstrated by lifeguards, and
- CoP staff provided information on recreational fishing safety, emergency services and weed management.

**Belgravia Rescue Activity** 

**Royal Life Saving Society NT Stall** 

**Water Safety Lakes Participation** 

Stall holder engagement was achieved through the running of a Water Safety Lakes, scavenger hunt activity and the supply of numerous fun free activities on the day, from animal handling to face painting and loads of giveaways.

The day was a success, gaining attendance of over 400 community members and receiving positive feedback.

#### Vibrant Economy

**Economic Development** 

Council Officers have continued to conduct review and analysis of the recent Crime Prevention Through Environmental Design Audit (CPTED) ensuring future priority actions are aligned with the Palmerston Local Economic Plan.

In line with bringing the Economic Development Agenda at Palmerston to the fore with Government and peak business and industry bodies, partnership discussions were held with representatives of the Department of Chief Minister and Cabinet, Department of Trade, Business and Asian Relations, the Darwin Innovation Hub, the Business Enterprise Centre NT, the NT Chamber of Commerce and the Industry Skills Advisory Council. Council Officers will continue to engage with the above departments and more, in pursuit of greater Economic Development opportunities in the municipality.

Council Officers have worked with Urban Enterprise – an Economic Development specific Customer Relationship Management System (CRMS), to manage a database of businesses within the municipality. Over 3,000 unique contacts and local businesses, which can be filtered by locality, industry and engagement, have been recorded in this system.

With the recent appointment of an Economic Development Lead, Council Officers began a face-to-face engagement process across the suburbs of Palmerston to obtain anecdotal responses from the business community around challenges faced, problems and hear of success stories. Council Officers will continue this engagement and seek greater collaboration with local businesses

#### Marketing and Communications Campaigns

City of Palmerston promoted the following events, programs and campaigns via placements including social media, newspaper, print, radio, and television over the reporting period:

- Animal Management By-Laws (ongoing education including pet registration)
- Palmerston Youth Festival (extensive marketing campaign)
- Always-on Event campaign 'Free fun near you' which included:
  - Aquafest
  - o Brekkie in the Park
  - o FlicNics outdoor movies
  - o Great Spring Clean-Up
  - o Live at the Lake
  - o Palmerston Street Art Festival Wrap-up Party
  - o Reboot Your Loot
  - o Seniors Day
- Get Active, Palmerston
- Hooked on Palmerston
- Palmerston Library School holiday program
- Pre-Cyclone Clean-Up

Animal Management By-Law education posters and tri-fold flyer

Get Active, Palmerston timetable and Reboot Your Loot posters

#### **Environmental Sustainability**

Encourage personal action and taking a leadership role

# Reboot Your Loot - 24 August

Reboot Your Loot brought Environment Sustainability to the heart of Council by hosting the car boot sale in the Civic Plaza car park on Saturday 24 August. With 44 stalls on the day and over 450 attendees, the day was a bargain hunter and thrift shop lover's dream, with some people walking away with arms full of purchases.

**Stall Holder at Reboot Your Loot** 

**Luva Cuppa serving refreshments** 

Casey Jane preformed, whilst Luva Cuppa served free coffee on behalf of City of Palmerston. Palmerston Lions Club cooked up a storm, offering bacon and egg sandwiches and watermelon cups which were a hit.

City of Palmerston City Sustainability Department organised free alterations for clothing items on the day and ran a stall promoting the upcoming cyclone clean up and new animal by laws. Overall, it was a great event supporting renewable practices and sustainability.

#### **Cultural Diversity**

To celebrate our rich culture and diversity

Citizenship Ceremonies - 1 August and 17 September

This quarter, three (3) Citizenship Ceremonies were held at Gray Community Hall, two on Thursday 1 August and the third on Tuesday 17 September.

### Thursday 1 August

On 1 August, two (2) separate Citizenship Ceremonies were held, where 76 new citizens were presented with their certificates from the Mayor. In attendance were the Chief Minister, MLA's for Spillitt and Blain, City of Palmerston Elected Members, Community Event of the Year Winners, represented by Mr Eric Chalmers and Citizen of the Year Winner Mr Neville Driver, adding support in welcoming the newest citizens to our community.

Mayor Athina Pascoe-Bell, Citizen of the Year, Mr Neville Driver, and our newest Citizens

# Tuesday 17 September, Citizenship Day

On 17 September, City of Palmerston celebrated the 75<sup>th</sup> Anniversary of Citizenship Day by welcoming 20 new citizens to Palmerston. Citizens represented many countries including, China, Colombia, Greece, India, Nepal, Nigeria, Philippines and Zimbabwe, taking the pledge of commitment administered by Mayor, before receiving their certificates and a gift from Mayor and Deputy Mayor. The 75<sup>th</sup> anniversary of Citizenship Day and the welcome of our new citizens was celebrated with cupcakes and refreshments whilst conferees mingled and took photographs to the ambiance of Kim Koole and her Australian country set-list.

Mayor Athina Pascoe-Bell and Deputy Mayor Mark Fraser presenting our new citizens with their certificates

#### Governance

Ensure we have a leading governance model

#### **Our People**

Our people are our most valuable asset, and recruitment and retention of staff continued to be a focus this quarter. Active promotion of roles continued to occur through the *LinkedIn* social media platform, NT News, professional organisations and other job sites to reach a wide network of applicants.

To support operations and provide employment opportunities, we continued providing backfill arrangements for vacant roles through short term appointments, while ongoing recruitment is undertaken. With the support of around 7 short–term role backfills over the quarter, the actual vacancy rate for the quarter was 12.88% compared to 19.78% without backfills.

Enterprise Agreement negotiations continued this quarter, with City of Palmerston leveraging this as a strategic opportunity to further enhance its ability to attract and retain top talent. The current Agreement expired in April 2024 and negotiations are still underway. It is hoped that an agreement will be reached soon, providing an Enterprise Agreement which is both within its means for our community and has generous and improved working conditions for our people.

# **Employee Movements**

The July to September quarter saw fifteen (15) new employees welcomed to the City of Palmerston and we bid farewell to thirteen (13) employees.

City of Palmerston at this time had an approved Full Time Equivalent (FTE) of 101.35, with 81.3 FTE employed as of 30 September 2024. City of Palmerston's headcount at 30 September 2024 was 100 employees, comprising full-time, part-time, casuals, and seven (7) labour hire staff.

#### Recruitment of our People

The People and Customer Team supported 17 recruitment activities across City of Palmerston during this reporting period. All the positions were externally advertised for a minimum of 14 days. Recruitment activities were attributed to natural attrition.

Table: Breakdown of Personnel Movement Actions across July to September 2024

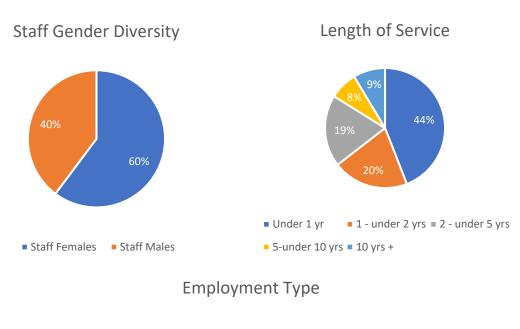

Throughout the quarter, training on Recruitment and Merit Selection training was ongoing to keep staff informed about their obligations and responsibilities in applying meritorious recruitment. This program was designed to maintain fairness and efficiency in the Council's hiring processes while ensuring alignment with the Council's goals and objectives.

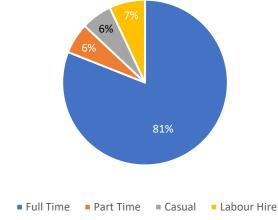

The People team is also undertaking a Human Resource Information System (HRIS) upgrade. This project is expected to improve the performance of the current HRIS and provide user-friendly features, leading to a more efficient and effective recruitment and onboarding processes and improved candidate care. The project is expected to be completed by the end of the year.

# **Quarterly Workforce Statistics**

As of 30 September 2024, our staff comprised people from over 18 different nationalities demonstrating a culturally diverse workforce reflective of our community. Employees, excluding labour hire comprise 56 females and 37 males and the average age of a staff member is 40.35 years, a slight increase from the last quarter. The average length of service with City of Palmerston has decreased and is 2.34 years in comparison to 2.71 last quarter, with 11 staff completing eight (8) plus years of service.

# **Professional Development of our People**

Investing in our workforce is an investment in our community. In the past quarter, City of Palmerston has maintained its support for the professional growth of its employees by offering various training and development opportunities. This initiative included a wide array of activities aimed at increasing employee skills and capabilities.

The programs offered this quarter were:

- First Aid
- Recruitment and Selection
- The Confident Leader
- The Events Economy
- WHS Incidents Reporting
- Psychosocial Hazards Workshop
- Working with Cultural Differences

#### Health and Wellbeing

In July and August 2024, in celebration of the Paris Olympics, City of Palmerston organised the Palmy Olympics. This initiative aimed to foster collaboration among staff by encouraging participation in teambased activities that bring together employees from various directorates.

Staff members awarded medals for Palmy Olympics

On 19 September 2024, City of Palmerston employees participated in a well-being Yoga session at the Recreation Centre in recognition of R U OK? Day. This initiative not only encourages physical health but also supports mental wellness, offering employees an effective means to alleviate stress and improve their overall quality of life. The integration of movement, mindfulness, and community engagement contributes to fostering a positive work environment.

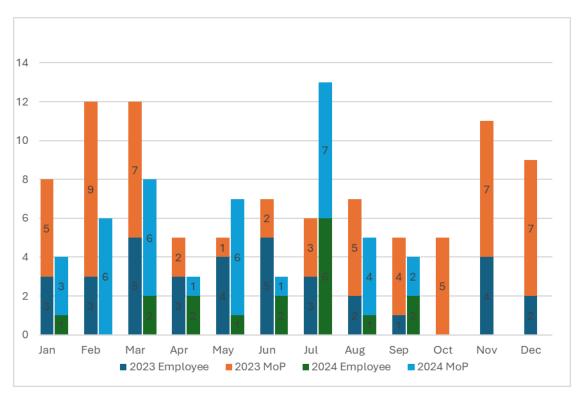

Staff members participation in R U OK? Day Mindfulness Wellbeing session

# Safety

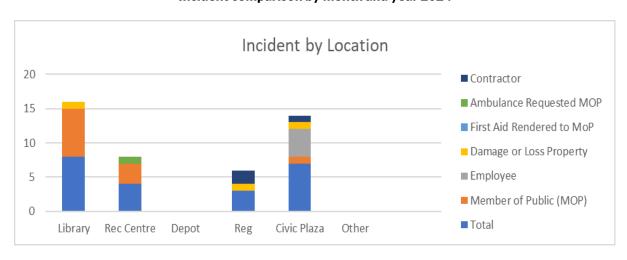

Focus on staff members' safety remained a top priority this quarter. There was a slight increase in reports related to members of public, particularly illnesses. City of Palmerston staff responded appropriately, providing first aid and contacting additional assistance as needed. Most reports arose from disruptive behaviours of members of the public, particularly in the library and recreation centre. City of Palmerston remains committed to prioritising employee well-being and supporting initiatives that foster a safe work

environment, and as a consequence appropriate support is provided to employees witnessing and assisting in these incidents.

Incident comparison by month and year 2024

Incident by location 2024 (July to September)

# Governance

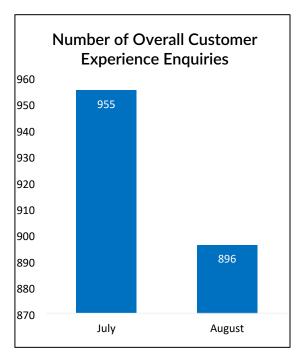

Community is at the centre

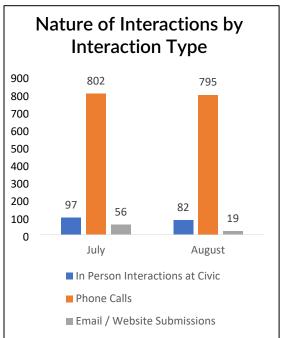

**Our Customer Experience** 

**Customer Interactions** 

There were a total of 1851 customer interactions in July and August. Full September information was not available due at the time of reporting, however 1237 payments were reported.

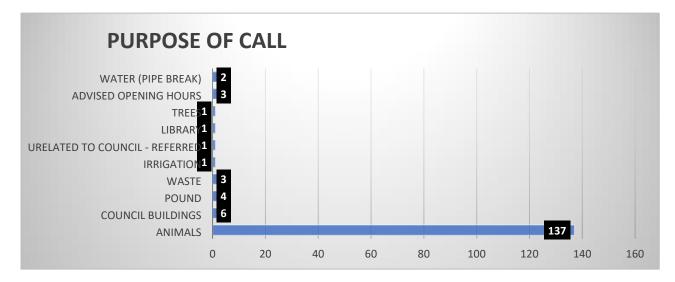

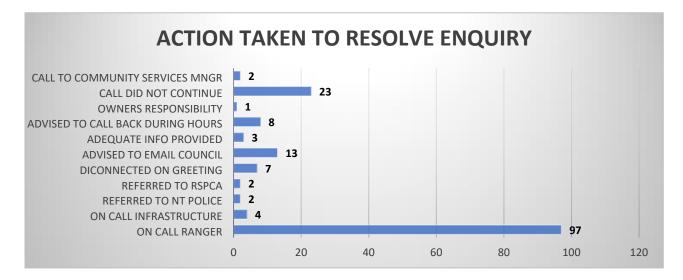

As with previous quarters, interactions via phone are the most common City of Palmerston has with residents and customers. There was an increase in customer queries in July, which could be attributed the start of the new financial year which brings enquiries for previous rates notices for residents to use for tax purposes, and the fact that 1 July saw the implementation of the updated Animal By-Laws, including cat management.

# Afterhours Calls

There was a total of 181 After Hours Calls from July to September 2024. July saw the highest number of calls in this quarter, with a decrease in August, and again in September. As with previous quarters, the majority of calls were animal enquiries, and this resulted in the highest being calls to the on-call Ranger.

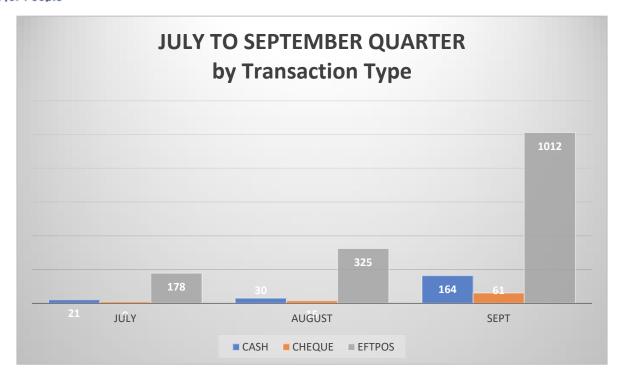

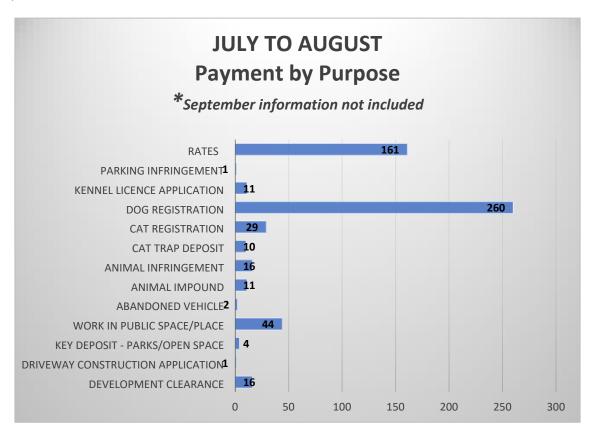

# **Payments**

This quarter saw 1815 payments taken, with 208 payments in July, 370 in August and 1237 in September. The majority (1515) of these were EFTPOS payments, followed by 215 cash payments, and 85 cheque payments.

The majority of the payments for the reporting period were for dog registrations and rates, both due on September 30.

#### **Community Engagement**

There was a total of five (5) community engagements conducted during the quarter. These included:

- Community Satisfaction Survey this was open from 24 July to 14 August 2024. The survey was promoted via social media, website, public displays (externally conducted).
- Laneway Management Policy Review 2024 This was open from 3 July to 31 July 2024. It was promoted via social media, signage at laneway locations, direct letters to residents, website and survey.
- Community Engagement Policy –Consultation was open from 31 July to 28 August 2024 and promoted via social media, website and feedback forms, public activations, one-on-one meetings with industry stakeholders/professionals.
- Zuccoli Pump Track and Walking Trails. Community engagement was open from 31 July to 24 August 2024 in conjunction with the tender. It was promoted via social media, website and feedback forms.
- Playground Refurbishment for Marlow Lagoon and Sanctuary Lakes Currently open, running from 15 September to 6 October and has been promoted via social media, website with survey, outdoor signage and public activations.

#### Public Relations/Media

During the quarter, City of Palmerston actively engaged with the media, with a total of nine

(9) media releases published. These releases covered a diverse range of topics, including Animal Management By-Laws, Reconciliation Action Plan, Australia Day nominations, free parking in Palmerston, Pre-Cyclone Clean Up, CEO resignation, Palmerston community satisfaction survey, our library's recognition as dementia-friendly, and Palmerston's Great Spring Clean Up.

City of Palmerston's media interactions extended across various platforms, including television, radio, newspapers, newsletters, and online news sources, totaling 45 interactions. Specifically, there were three (3) TV appearances, eight newspaper features, four (4) online news presence and 30 radio engagements, which included Council's regular radio interviews.

# Social Media

City of Palmerston has three (3) social media accounts of which the Marketing and Communications team manages two (2): City of Palmerston and Palmerston Youth Festival. The dedicated social media pages for the Palmerston Youth Festival are strategically utilised leading up to and during the festival to prevent oversaturation on the primary channels while ensuring diverse messaging.

#### **Facebook**

City of Palmerston's Facebook page experienced a follower increase of 1.3%, continuing a trend of steady growth across all previous reporting periods. The months of July and August were particularly active due to multiple events and programs, resulting in notable rises in key metrics reach by 48%, paid reach by 47%, page visits by 24% and posts by 41.82%

Although there was a decrease in the number of published stories (from 13 to 6), this did not negatively affect reach or engagement levels.

The top-performing organic post for this account during this quarter was the announcement of

Palmerston's parking meters being removed and remaining free. This post achieved the highest reach and engagement metrics for 2024 to date. The public's interest in this topic suggests that aligning social media content with relevant community issues can enhance engagement.

Metrics	April - June	July - September	% change
Followers	18,502	18,749	1.33

## Instagram

The Instagram account for City of Palmerston saw a 2.8% increase in followers this quarter, consistent with previous growth trends. Reach improved by over 5%, likely correlated with a 65% increase in stories published. However, page visits decreased by approximately 11%, which is often linked to lower published posts.

Metrics	April - June	July - September	% change
Followers	2,211	2,273	2.8
Reach	13,828	14,570	5.37
Page visits	740	659	-10.95

## LinkedIn

City of Palmerston's LinkedIn page continued to demonstrate growth with a 4% increase in followers. The volume of posts increased which directly correlates with an increase in impressions (the number of times the content was displayed). Although the engagement rate decreased slightly, it remains relatively high for a council account.

Metrics	April - June	July - September	% change
Followers	2,533	2,642	4.3
Impressions	10,821	15,262	41.04
Posts	11	14	27.27
Engagement rate	12.09%	10.33%	-1.76

## City of Palmerston Social Media Campaigns (Paid Advertisements)

In the July to September quarter, City of Palmerston invested \$1,363.06 across ten campaigns targeting residents in Palmerston and surrounding areas. The cost per result for each campaign ranged from \$0.17 to \$4.34, indicating a strong return on investment. Each month our 'What's On Campaign' showcases what City of Palmerston is providing and doing around Palmerston, with a heavy spotlight on events. This 'always-on' approach has been a successful marketing tactic with effective reach and better return on spend.

Campaign	Impressions	Total Reach	Cost
July What's On	96,039	57,554	\$200
Darwin Festival in Palmerston	51,560	35,264	\$100
For the love of pets	152,389	73,237	\$350

## Palmerston Youth Festival Social Media

Palmerston Youth Festival's Facebook and Instagram platforms were heavily utilised in the lead-up to and throughout the festival, resulting in significant increases across insights. Facebook saw over 4% growth in followers, more than 100% increase in page visits and more than 35% climb in reach. The data indicates a substantial amount of paid reach, with only four additional posts published compared to the previous quarter, reflecting a focus on paid advertising efforts.

On Instagram, followers increased by 2.8% and saw significant gains in reach and page visits. The increase in published stories was largely attributed to live updates during festival events.

Following the conclusion of the festival, a decrease in engagement metrics is anticipated in the upcoming quarter, as promotion efforts will resume in preparation for the 2025 event.

## Palmerston Youth Festival Facebook Results

## Website

Website visitation saw a spike in the last quarter, which is to be expected given the time of year and the types of targeted marketing campaigns driving traffic to the website. The graph below sees only a small dip in August from July to September, however visitation remains consistent over the past 3 months with spikes in the beginning of July from our events campaign (and Palmerston Youth Festival), with a couple of spikes in late August/September which could be directly related to rate notices and pet registrations.

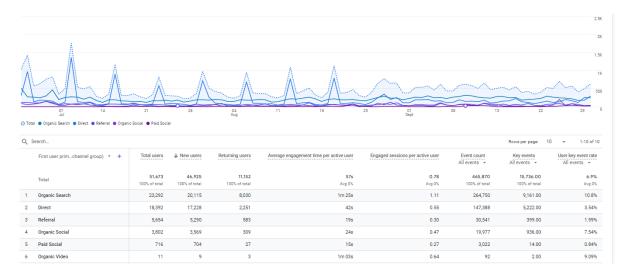

Metrics	April - June	July - September	% change
New Users	41,082	46,925	13.56
Engaged Sessions*	29,725	39,404	24.56
Engagement rate	43.25%	47.79	4.54
Engagement time	47s	35s	-12s
Event count	367,659	465,229	20.97

<sup>\*</sup>Engaged sessions are the number of sessions that lasted longer than 10 seconds, or had a key event, or had two (2) or more screen or page views

New users to site between 1 July - 30 September 2024

The below graph is the same as above, however lists the channel group from how people arrived on our website. Organic search continues to be the main primary channel group with direct URLs, referrals and organic social posts in the top five (5). This is consistent with previous quarters. This identifies the importance of leveraging from these channel groups such as improving search engine optimisation, including direct links in all marketing where possible (via QR codes and e-newsletters) and continuing with engaging social media organic content.

## Users by primary channel group 1 July - 30 September 2024

Top five (5) pages viewed on the website included the home page, online payments, Palmerston Youth Festival, Search and Cyclone preparation. It is expected, given the time of year, that online payments and cyclone information is accessed more given rates, pet registration and the Pre-cyclone clean up took place. Animal Management information was accessed which correlates with an increase in marketing and general communications, and Council's Pound page and Careers page both received high visitation, consistent with previous quarters and the same period from the previous year.

## **CONSULTATION AND MARKETING**

The following City of Palmerston staff were consulted in preparing this Report:

- Marketing and Communications Manager
- Marketing and Communications Lead
- Marketing and Communications Support Officer
- City Activation Manager
- City Activation Officer
- Economic Development Lead
- Events Officer
- People and Customer Manager
- Human Resources Lead
- Health, Safety and Wellbeing Coordinator
- Recruitment and Training Advisor
- Customer Experience Coordinator

## **POLICY IMPLICATIONS**

There are no policy implications relating to this report.

## **BUDGET AND RESOURCE IMPLICATIONS**

There are no budget or resource implications relating to this Report.

## RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

3. **Economic Development** 

> Failure to articulate, provide and promote the value proposition for Palmerston as an economic centre to attract investment.

**Inclusion, Diversity and Access** 4.

Failure to balance meeting needs of Palmerston's cultural mosaic

6. Governance

Failure to effectively govern.

## STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

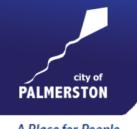

There are no strategy, framework or plan implications for this Report.

## **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

# **COUNCIL REPORT**

2nd Ordinary Council Meeting

AGENDA ITEM: 13.2.2

**REPORT TITLE:** Major Capital Projects Update - October 2024

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Manager Projects and Infrastructure Services, Karl Hell

**APPROVER:** General Manager of Infrastructure, Nadine Nilon

## **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

## **PURPOSE**

The purpose of this Report is to update Council on the status of current Major Capital Projects.

## **KEY MESSAGES**

- Council has several major capital projects underway that have a planned, or contracted value, greater than \$1 million.
- The following projects have updates included as attachments of this report:
  - Driver Community Centre
  - Archer Waste Management Facility Upgrade
  - Zuccoli Community Hub Future Stages
  - Enterprise Resource Planning Project (ERP)
- Updates on other relevant projects additional to those listed are also included within this report with updates, these include:
  - Playground Renewals
  - Road Reseal and Reconstruction Programs
  - Tree Replacement Program
  - Dark Spot Lighting Upgrade Program
  - FiberSense
- Capital projects and programs occurring with a value less than \$1 million are updated within the infrastructure Directorate quarterly reports, and relevant financial reporting.

## **RECOMMENDATION**

THAT Report entitled Major Capital Projects Update - October 2024 be received and noted.

## **BACKGROUND**

Council has a \$16.39 million Capital Works Programs in 2024/25. These include a broad range of asset renewal programs along with major capital projects from planning and development stages to delivery.

Capital projects are any project where a Council asset is built or renewed. This can include new assets, such as a new shade over a playground, or replacement (also referred to as renewal of assets such as road resurfacing). Typically, Council's programs and projects are reported through specific project communications with updates provided in the quarterly and financial reports. As there are several major

projects underway, with values of over \$1 million each, a monthly update report is prepared to provide Council with regular updates on these significant projects.

## **DISCUSSION**

Updates on the following major capital projects are included as attachments to this report:

- Driver Community Centre Attachment 13.2.2.1
- Archer Waste Management Facility Upgrade Attachment 13.2.2.2
- Zuccoli Community Hub Attachment 13.2.2.3
- Enterprise Resource Planning Project (ERP) Attachment 13.2.2.4

Council is also progressing other relevant capital projects, as summarised below.

## **Playground Renewals**

The tender has been awarded to replace the Sanctuary Lakes Playground and Marlow Lagoon Junior Playground. The total cost of both projects is in the order of \$1.1m. The final design is currently being finalised following community consultation which is being presented to Council at the Second Ordinary Council Meeting in October. Works will be completed early in 2025, when site access is available following the wet season.

Tom Price Park replacement is underway, with works having commenced on site and to be finalised when the new swing set is delivered. Completion is scheduled for early November. As this project is occurring due to vandalism, the cost of replacement will be mostly covered by insurance.

## Road Reseal and Reconstruction Programs

Road reseal works have commenced with the following roads scheduled to be resurfaced in October 2024, with a total cost in the order of \$150,000.

- Woodlake Boulevard, Durack, near Nichols Street Complete.
- Victoria Drive, Gray Complete.
- Deviney Road and Marjorie Street intersection, Pinelands Works have started.
- Hardy Road and Stuart Hwy Service Road intersection, Pinelands Works have started.

This year's program identifies 37 roads for treatment, with four (4) to be completed in October and the remaining 33 by May 2025. The overall budget for the programmed works totals \$1.9 million.

## Tree Replacement Program

A tender has been advertised and closed for a panel contract for five (5) years for the installation, establishment and maintenance of new trees across the municipality. 2000 trees have been procured for installation in two (2) planting events. One event is to commence in October/November to align with the onset of the wet season rains, and the second is to occur in March 2025 (when soil moisture is still high).

Proposed locations for planting include;

- Tracy Park
- Lockwood Drain
- Sirius Park
- Gunter Drain
- Wood Drain
- Sibbald Drain
- Woodroffe Drain
- Hobart Park
- Gordon Stott Park

## Dark Spot Lighting Upgrade Program

A period contractor has been engaged to undertake public lighting upgrade projects. Works have commenced at the locations listed below, with completion scheduled for October 2024. The total cost of the works underway is in the order of \$200,000.

- Allamurr Court, Gray
- Harrison Circuit, Woodroffe
- Essington Park, Gray

Stockwhip Drive is the next project to commence with an estimated cost of \$200,000. The design has been completed and is under review. Works are anticipated to commence in early 2025.

## **FiberSense**

FiberSense uses underground fiber optic cables and technology to detect vibrations from machinery, vehicles, pedestrians and more. The vibrations are converted into data that will be able to be used for planning and improvements to the city. The installation is complete, and the Digital Asset system is live, with alerts of disruption (i.e. digging) near the fibre being received to allow the issuing of work permits as required. The Digital City system is under development, with the first phase relating to traffic counts and congestion in a testing phase of its deployment, with the schedule to go 'live' this financial year. Future phases are being road-mapped and will include pedestrians and parking.

## **CONSULTATION AND MARKETING**

Consultation occurs as relevant to each project and its status.

## **POLICY IMPLICATIONS**

There are no policy implications for this Report.

## **BUDGET AND RESOURCE IMPLICATIONS**

The projects are being delivered within the 2024-25 Capital Works Program. Individual budget updates are included with the current project summaries.

## RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

Financial Sustainability
 Failure of Council to be financially sustainable to deliver key services and infrastructure for the community.

## STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

The Community Infrastructure Plan, Inclusive, Diverse and Assessable Policy Framework, Disability Inclusion and Access Plan and Sustainability Strategy are considered as part of each project.

## COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

## **ATTACHMENTS**

- 1. Driver Community Resource Centre [13.2.2.1 3 pages]
- 2. Archer Waste Management Facility Upgrade Council Update [13.2.2.2 2 pages]

4. Enterprise Resource Planning Project (ER P) [13.2.2.4 - 1 page]

## DRIVER COMMUNITY CENTRE

October 2024 Update

## A I luce for I copic

## **Project Overview**

Summary: The Driver Community Centre was constructed in the mid 1980's as a Childcare Facility colocated adjacent to Driver Primary School. The existing facility is reaching end of life and requires redevelopment to better address the needs of the community.

Estimated Construction Budget: \$3.0 million

## Funding Source(s):

- Design City of Palmerston \$250,000
- Construction \$2.5 million of grant funding (if received)

## **Anticipated Completion Date:**

- 100% Design October 2024
- Building permit November 2024
- Construction To be determined once funding has been finalised.

Contractor: Design - GHD Woodhead

## **Status Update**

Percentage Complete: 95% Design

Actual Costs to Date (design): \$227,764

Cost to complete (design): \$33,835

## Works to Date Summary:

The final detailed design was issued at the end of September 2024 with the final review being undertaken. The Building Permit and Quantity Surveyor cost estimate report is due to be issued November 2024, which will complete the design package. The cost for the project, including contingencies, based on the preliminary design was estimated at \$3 million.

The design includes a total internal floor area of 353 square metres, with a total internal occupancy of 100 users across three (3) spaces (pods), each with adjacent outdoor space.

Room	Usable area	Storage area	Occupancy
Pod 1	71	10	20
Pod 2	80	9	30
Pod 3	111	6	50
General storage	N/A	14	N/A
Kitchen facilities	13	N/A	N/A

## **Upcoming Works:**

Detailed design review to be completed and the building permit and cost report to be issued this month. This will complete the construction documentation package and will provide for the future Public Tender Package.

## **DRIVER COMMUNITY CENTRE**

October 2024 Update

A Place for People

## **Project Risks:**

The construction of project is dependent on funding and CoP are seeking \$2.5 million in grants to facilitate this. In the absence of grant funding, Council may have to consider deferring the project or allocating funding for the project to proceed.

There is a risk that once a Building Permit is issued, that works may not commence prior to its expiry, however the permit ensures that all factors for construction to occur have been considered which reduces risks when tendering for a builder. Further to this the Building Permit demonstrates that the project is shovel ready which can make the project more attractive to funding providers. The Building Permit is relatively low cost and is able to be extended if required.

# **DRIVER COMMUNITY CENTRE**

October 2024 Update

## ARCHER WASTE MANAGEMENT FACILITY UPGRADE

October 2024 Update

A Place for People

## **Project Overview**

Summary: Redevelopment of the Archer Waste Management Facility (AWMF) includes the construction of a new recycling area (inclusive of a cardboard compactor), relocation of the gatehouse to facilitate the recycling area upgrade, improvements to access and roads, and the construction of a general waste pushpit to improve safety and functionality.

Website Link: <a href="https://palmerston.nt.gov.au/operations/major-projects/archer-waste-management-facility-awmf-upgrade">https://palmerston.nt.gov.au/operations/major-projects/archer-waste-management-facility-awmf-upgrade</a>

Total Budget: \$1,292,508 (2024/25)

## Funding Source(s):

- City of Palmerston \$1,192,508
- Northern Territory Government \$100,000 (installation of the cardboard compactor)

#### Anticipated Completion Date(s):

- Gatehouse Relocation Completed June 2024
- Cardboard Compactor installation and commissioning December 2024
- Recycling area January 2025

## Status Update

The tender for the design and construction of the recycling area, including the carboard compactor has closed with award anticipated October 2024.

Following award, the timing for the construction of the recycling area, including cardboard compactor, will be confirmed. Construction commencing at the start of the wet season is a risk that may impact timing of completion.

## **Upcoming Works:**

- Award of the Contract for the design (finalisation) and construction of the recycling area and installation of carboard compactor.
- Progress and completion of detailed design for transfer facility.
- Review and update of AWMF Upgrade Communications Strategy based on project staging.

## **Project Risks:**

The complexity of the site and availability of design consultants and internal resources to progress the project has led to delays. Cost escalation presents as a project risk, and this is being managed through design and scope review.

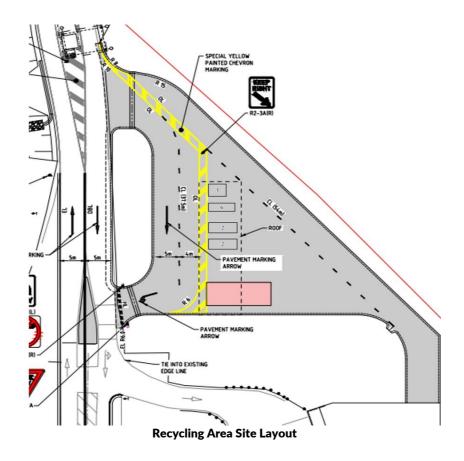

The AWMF is highly utilised by the City of Palmerston residents and community engagement and consultation is critical to project success. There is a potential risk of community dissatisfaction during the project construction phase. This is being mitigated through the establishment of a temporary waste transfer facility during construction and the implementation of the project communication strategy.

## ARCHER WASTE MANAGEMENT FACILITY UPGRADE

October 2024 Update

A Place for People

## **ZUCCOLI COMMUNITY HUB**

October 2024 Update

# Project Overview

Summary: The Master Plan for the Zuccoli Community aims to provide an integrated multi-purpose precinct to meet open space, recreation and community needs for the rapidly growing Zuccoli and wider City of Palmerston communities. The Master Plan details the proposed stages of construction. This report pertains to the construction of Stage 2: The Pump Track and Sensory Walking Trail.

Stage 2 - Pump Track & Sensory Trail

Total Budget: \$1,156,563 (2024/25)

## Funding Source(s):

- City of Palmerston \$494,674
- Federal Government \$411,889 LRCI (Local Roads & Community Infrastructure)
- Northern Territory Government \$250,000

## **Anticipated Completion Date:**

Stage 2 - 2025

## **Additional Information:**

Website Link: <a href="https://palmerston.nt.gov.au/operations/major-projects/zuccoli-and-surrounds-community-hub-construction-0">https://palmerston.nt.gov.au/operations/major-projects/zuccoli-and-surrounds-community-hub-construction-0</a>

## **Status Update**

## Works to Date Summary:

Stage 2 works consists of the pump track, the sensory walking path, shade structures, BBQ facilities and associated civil works. The tender assessment has been completed; however, the tender was not awarded as no viable submissions were received.

## **Upcoming Works:**

A revised project staging plan is being developed to facilitate a revised tender package/s that will enable the project to be delivered. The options being evaluated include:

- Separating the project elements to allow for staging. This will allow for construction to start while other elements are being designed, such as the sensory trail using existing contractors.
- Undertake the design of the Pump Track. The design will be used to infirm the construction tender
  package. This will provide certainty and reduce risk to potential contractors. While the design is being
  undertaken construction other elements can commence with appropriate planning and scheduling.
- Undertake the site civil, pathway, sensory walking trail, shade and BBQ facilities as a separate package. The site civil design has been completed and this can inform the tender package for the works.

## **Project Risks:**

The allocated budgets are based on concept designs and high-level estimates. The tenders will inform the final cost requirements and where required, additional funds may be sought, or alternative staging of activities will be determined.

The Civil Engineering sector is capacity and resource constrained due to significant defence and public works projects. These factors limit market competition and present as a risk to engaging suitable contractors.

# **ZUCCOLI COMMUNITY HUB**

October 2024 Update

## ENTERPRISE RESOURCE PLANNING PROJECT

October 2024 Update

## **Project Overview**

Summary: City of Palmerston (CoP) requires an effective system capable of delivering efficient and quality services to the community while meeting the organisation's internal corporate needs. An enterprise Resource Planning (ERP) Project has been identified to enable a strategic approach to Council's systems.

Project Budget: \$2 million (over three [3] financial years)

Funding Source(s): City of Palmerston

Completion Date: 2026

Contractor: Project Management Support - Information Professionals Group (IPG)

## **Status Update**

Percentage Complete: 20%

Actual Costs to Date (consultancy): \$244,717

Works to Date Summary:

CoP currently uses several systems to meet its core operational requirements, some of which have partial integration, and most operate independently. While the systems are updated regularly and meet compliance requirements, the limited integration impacts business processes. A specialist consulting group was engaged to lead the project's delivery, including gap analysis review, project planning, tender documentation, and change management coordination. An internal Project Control Group (PCG) has been established to oversee the project, including resourcing requirements. A Probity Auditor has also been engaged to commence reviewing tender documentation.

The Project Management Plan was approved in June 2024, along with the initial Communications Plan. A Business Case has been drafted, which includes an options benefit-cost analysis to inform the next stages of the project, including tender documentation.

Engagement with the Probity Auditor and the Procurement Team has commenced.

As part of the tender documentation, Non-Functional Requirements and about 55% of Functional Requirements have been defined and agreed with Subject Matter Experts (SMEs). The remaining Functional Requirements, plus Business and Transition Requirements are drafted.

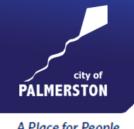

## **Upcoming Works:**

PCG approval of the Business Case is planned for October. The project team are working on defining and confirming the remaining functional requirements with SMEs. All other requirements are being scheduled for confirmation with SMEs and stakeholders.

The Procurement Plan is scheduled to be reviewed and approved by the Tender Evaluation Panel in November with all tender documents, including requirements are aimed at being ready for review by the Tender Evaluation Panel prior to Christmas. T

## **Project Risks:**

As an ERP system and business process changes will affect every CoP operation, change management is a key risk that has been identified and is critical to the project's success.

# **COUNCIL REPORT**

2nd Ordinary Council Meeting

**AGENDA ITEM:** 13.2.3

**REPORT TITLE:** Community Benefit Scheme - September Update

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Community Development Officer, Kate Townsend **APPROVER:** General Manager Community, Konrad Seidl

## **COMMUNITY PLAN**

Family and Community: Palmerston is a safe and family friendly community where everyone belongs.

## **PURPOSE**

This report provides Council with a summary of Community Benefit Scheme activity from September 2024.

## **KEY MESSAGES**

- City of Palmerston is 'A Place for People', and the Community Benefit Scheme demonstrates Council's commitment toward enhancing social wellbeing and cohesion, developing the capability of community groups, and building connectivity within the community.
- City of Palmerston provides funding through the Community Benefit Scheme to eligible community groups and organisations to deliver activities, projects and services that benefit the Palmerston community.
- The 2024/25 Community Benefit Scheme allocated \$230,000 to benefit the community.
- At the end of September, \$171,300 has been expended with \$58,700 remaining for projects and activities which benefit the Palmerston Community in 2024/25.

## RECOMMENDATION

THAT Report entitled Community Benefit Scheme - September Update be received and noted.

## **BACKGROUND**

City of Palmerston (CoP) provides funding through the Community Benefit Scheme (CBS) to eligible community groups and organisations to deliver activities, projects and services that benefit the Palmerston community. The funding supports programs that enhance social wellbeing, and cohesion by developing the capability of community groups and building community connection and a sense of belonging.

The Community Benefit Scheme for 2024/25 provides a budget of \$230,000 for grants, donations and sponsorship, and \$20,000 for Environmental Initiatives.

## **DISCUSSION**

In September 2024, twenty (20) projects or activities were funded by City of Palmerston (CoP) through the Community Benefit Scheme (CBS). A detailed list of all funds expended is included in **Attachment 13.2.3.1**.

## **Sponsorship**

One Sponsorship Agreement was awarded in September 2024 to the Planning Institute of Australia for their Awards Planning Event. They received a Silver Package sponsorship to the value of \$1,000.

This financial year, City of Palmerston has supported three (3) sponsorships to a total value of \$7,000.

## **Grants**

Two (2) Community Grants were awarded in September 2024 to the following organisations:

- Arafura Music Collective, Connecting Communities through Music \$6,900
- Top End Mental Health Consumers Organisation Inc (TEMHCO), Open Art Exhibition \$2,000.

This financial year, City of Palmerston has supported five (5) Community Grants to the total value of \$14,800.

## **Individual Representation Support**

14 Individual Representation Support (IRS) Grants were awarded in September 2024 under the CEO's delegation to a total value of \$3,500.

This financial year, City of Palmerston has supported 55 Individual Representation Support grants, and one Team Support Grant to the total value of \$15,000.

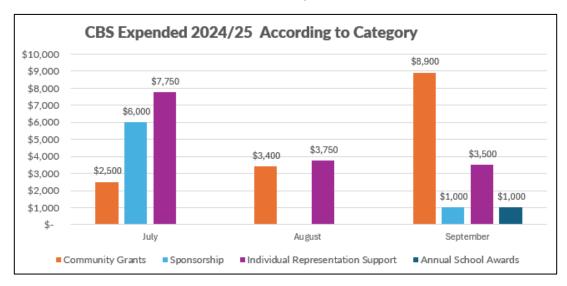

## **Annual School Awards**

10 Annual School Awards Donations were made in September 2024.

This financial year, City of Palmerston has supported to 10 Annual School Awards to the value of \$1000.

## **Environmental Initiative Grants**

No Environmental Initiative Grants were awarded in September 2024.

## **Multiyear Sponsorship Agreements**

No new multiyear sponsorship agreements were presented to Council in September.

This financial year, a balance of \$133,500 is committed to 11 multiyear agreements, as shown in the table below.

	Finan	Financial Years		
Organisation	2024/25	2025/26	2026/27	Agreement
Palmerston and Litchfield Seniors	\$22,000	\$22,000	\$25,000	Year one of three (3)
Palmerston Golf and Country Club	\$30,000	\$30,000		Year two of three (3)
Palmerston Rugby Union Club	\$5,000	\$5,000		Year two of three (3)
Riding for the Disabled Top End	15,000	15,000		Year two of three (3)
Northern Sharks Rugby League Club	10,000	10,000		Year two of three (3)
PaRBA	\$10,000	\$10,000		Year two of three (3)
Palmerston Netball	\$10,000			Year three (3) of three (3)
Palmerston Rovers Football Club	\$10,000			Year three (3) of three (3)
Palmerston Saints Hockey Club	\$1,500			Year three (3) of three (3)
Palmerston Magpies Football Club	\$10,000			Year three (3) of three (3)
RSPCA	\$10,000			Year three (3) of three (3)
Total	\$133,500	\$92,000	\$25,000	

## **CONSULTATION AND MARKETING**

There was no consultation required during the preparation of this Report.

## **POLICY IMPLICATIONS**

Council Policy - *Grants, Donations and Sponsorships* provides governance for the Community Benefit Scheme. Section 4.9.5 of this policy requires a report detailing decisions made regarding Community Benefit Scheme funding requests to be tabled at the Council meeting each month.

## **BUDGET AND RESOURCE IMPLICATIONS**

The CBS budget for the 2024/25 financial year for grants, donations, sponsorships is \$230,000. The 2024/25 Environmental Initiatives budget is a further \$20,000.

In total \$171,300 has been expended for grants, donations and sponsorship with \$58,700 remaining for projects and initiatives which benefit the Palmerston Community.

## **RISK, LEGAL AND LEGISLATIVE IMPLICATIONS**

Council is responsible for the efficient and sustainable management of the Community Benefit Scheme budget. Funding activities or items that are not seen to be benefitting the Palmerston Community may erode trust in Council and its processes. Council mitigates this risk by following the policy relating to eligibility criteria as outlined in its Policy *Grants*, *Donations*, *and Sponsorships*.

This Report addresses the following City of Palmerston Strategic Risks:

## 6. Governance

Failure to effectively govern.

## STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This report relates to the <u>Creative Industries Plan 2023-27</u>, the <u>Inclusive</u>, <u>Diverse and Accessible Policy Framework</u> and the <u>Sustainability Strategy 2022-2026</u>.

## **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

# **COUNCIL REPORT**

2nd Ordinary Council Meeting

AGENDA ITEM: 13.2.4

**REPORT TITLE:** Reconciliation Action Plan Update

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Manager People & Customer, Emma Blight

**APPROVER:** Deputy Chief Executive Officer, Amelia Vellar

#### **COMMUNITY PLAN**

Cultural Diversity: In Palmerston we celebrate our cultures in a way that values our diversity.

## **PURPOSE**

This report provides Council with an update on City of Palmerston's Reconciliation Action Plan.

## **KEY MESSAGES**

- A Reconciliation Action Plan will support City of Palmerston to sustainably and strategically take meaningful action to advance reconciliation.
- A Reconciliation Action Plan will be a supplementary plan to City of Palmerston's Inclusive, Diverse and Accessible Policy Framework and will impact on the way we operate in our community as well as how we work internally.
- City of Palmerston has registered to develop it's very first Reconciliation Action Plan with Reconciliation Australia.
- The RAP will be the first level, Reflect, which is designed to build strong foundations to assist in engaging in reconciliation in a meaningful way.
- Expressions of interest to join City of Palmerston's Reconciliation Action Plan Working Group were
  published on 9 July. This was advertised on social media platforms, the NT News and City of
  Palmerston's website as well as key external stakeholders contacted.
- Fourteen (14) Expressions of Interest were received comprising five (5) externals candidates and nine (9) staff members.
- A recommendation was made to the Chief Executive Officer to appoint six (6) staff members and one Community member to the Reconciliation Action Plan Working Group.
- Not all positions were able to be filled based on the current Terms of Reference requirements for membership.
- Once acceptance from all RAP members has been received, the first meeting will be set for November 2024 with a ceremony to mark the occasion. It will include a Welcome to Country by a Traditional Owner, Mayor and Elected Members, and Reconciliation Australia delegate.
- The unfilled RWG roles will remain open and will continue to be advertised and, if after further attempts to attract RWG members by 1 December 2024 the membership is not full, a further report will be provided to Council recommending amending the Terms of Reference to increase flexibility.

## RECOMMENDATION

THAT Report entitled Reconciliation Action Plan Update be received and noted.

## **BACKGROUND**

In Palmerston, 13% of residents identify as having Aboriginal or Torres Strait Islander background. Development and implementation of a Reconciliation Action Plan (RAP) will support City of Palmerston to sustainably and strategically take meaningful action to advance reconciliation. Identified as a supplementary plan to the City of Palmerston Inclusive, Diverse and Accessible Policy Framework, a RAP will further demonstrate our commitment to the objectives of our Community Plan. Over time and as our reconciliation journey progresses, it will transform good intentions into measurable actions that support Aboriginal and Torres Strait Islander people to achieve equality in all aspects of life, which will benefit the whole community.

Once finalised, City of Palmerston's RAP will become a public document and will be published on Reconciliation Australia's (RA) website. RA is considered the lead body for reconciliation in Australia. RA recommend a Working Group is established with the *Reflect* level of RAP, which is what City of Palmerston is working towards.

At the second Ordinary meeting of June 2024, Council endorsed the Reconciliation Action Plan Working Group Terms of reference:

13.1.10 Reconciliation Action Plan Update

Moved: Councillor Eveleigh Seconded: Councillor Henderson

- 1. THAT Report entitled Reconciliation Action Plan Update be received and noted.
- 2. THAT Council endorses the Reconciliation Action Plan Working Group Terms of Reference provided at **Attachment 13.1.10.1** to Report entitled Reconciliation Action Plan Update.

CARRIED 10/1397 - 18/06/2024

## **DISCUSSION**

Expressions of interest to join City of Palmerston's Reconciliation Action Plan Working Group (RWG) were published on 9 July. This was advertised on social media platforms, the NT News and City of Palmerston's website as well as key external stakeholders contacted.

Per the Approved Terms of Reference (**Attachment 13.2.4.1**), membership is limited to 10 people, comprising six staff, two Palmerston Aboriginal or Torres Strait Islander community members and one Aboriginal and or Torres Strait Islander Palmerston organisation representative. In addition to these roles, the RWG will comprise a RAP Champion from the Executive Leadership Team.

Following five weeks of calling for expressions of interest, nine staff and five members of public expressed interest in joining the RWG. After consideration, six staff from various areas and functions of City of Palmerston were recommended to the CEO. Unfortunately, not all community members expressing interest in the RWG met the criteria set out in the terms of reference, however one did, and they were recommended for approval.

The role of ATSI Palmerston organisation representative remains unfilled at this time, and officers will continue to pursue opportunities with appropriate organisations.

General Manager Community, Konrad Seidl, has expressed interest and been approved by the CEO in the role of RAP Champion and Chair.

## Next Steps

Once acceptance from all RAP members has been received, the first meeting will be set for November 2024 with a ceremony to mark the occasion. It will include a Welcome to Country by a traditional Owner, Mayor and Elected Members, and Reconciliation Australia delegate.

The unfilled RWG roles will remain open and will continue to be advertised to ensure the most effective working group supports this important initiative.

If, after further attempts to attract RWG members by 1 December 2024, the membership is not full, a further report will be provided to Council recommending amending the Terms of Reference. The aim of any amendment would be to allow for greater flexibility around eligibility, whilst still representing the Palmerston community and delivering a meaningful RAP.

## **CONSULTATION AND MARKETING**

RWG roles were promoted through a number of public activations including:

- NAIDOC week events at the Library;
- FlicNics; and
- Live at the Lake.

Posters were displayed at all Council facilities, and a media release was sent out on 9 July 2024 with the Mayor doing an interview with ABC on 10 July.

To encourage expressions of interest, consideration towards language and accessibility was considered with the application process. A variety of options were offered to the community including the online form, calling, emailing and visiting the office. We also provided the option to upload a video or voice memo.

Social media posts included the following across Facebook and LinkedIn:

Join us in creating our First Reconciliation Action Plan (RAP).

We are excited to officially embark on our very first Reconciliation Action Plan (RAP). This initiative compliments the work that we already do in the space of inclusivity, and continues our efforts to build a community based on respect and shared values.

Positions are open for community and business members to join our RAP working group. We welcome expressions of interest from everyone, especially our Aboriginal and Torres Strait Islander community members.

Inclusivity and collaboration are at the heart of this project. Our RAP working group will share unique perspectives, cultural insights and professional expertise to make a difference.

Interest can be submitted online, via email, letter, phone, or video. Find out more information at & bit.ly/3XZ0hI7

Let's create a positive step forward together.

LinkedIn - 9 July

Repost

The morning was all about celebrating our First Nations culture, connection to country and rich tapestry of traditions as part of this year's NAIDOC theme - 'Keep the Fire Burning! Blak, Loud and Proud'.

The event included a Welcome to Country, a Fire and Smoking Ceremony, Traditional Dancers and speeches, as well as Athina Pascoe-Bell and Eva Lawler planting a Flame Tree (Poinciana Tree) in Goyder Square, which was selected for its vibrant red bloom symbolising fire. \*\* •

NAIDOC Week is an opportunity for all Australians to come together to celebrate the rich history, diverse cultures and achievements of Aboriginal and Torres Strait Islander peoples as the oldest continuing cultures on the planet.

On this note, we're embarking on our very first Reconciliation Action Plan. If you'd like to be part of this, find out more information at @bit.ly/3XZ0hI7

This fantastic event was put on in collaboration with Larrakia Nation Aboriginal Corporation and Northern Territory Government.

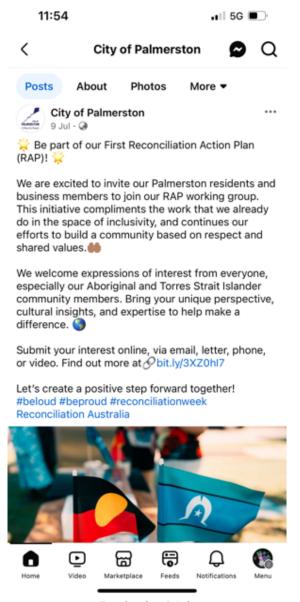

LinkedIn - 10 July

Organic impressions: 1,273 Impressions

Preview results 🗸

Facebook - 9 July

Facebook saw a reach of 1,721, and total engagements (link clicks, shares, likes, and comments) of 93, with LinkedIn posts providing a total of 356 engagements with three (3) reposts and a total of almost 2,000 impressions. These statistics are slightly below average, however considering the niche topic this is expected. There were other activities and information happening at the same time on our social channels which sometimes affects engagement rates.

Contact was made directly via email to the network of community groups via individual teams to encourage further nominations.

In total, 69 new users landed on the website spending on average about 1 minute on the page. Five (5) external applicants applied via the online form on the website.

The following City of Palmerston staff were consulted in preparing this Report:

- People and Customer Manager
- Marketing and Communications Manager

## **POLICY IMPLICATIONS**

A Reconciliation Action Plan was identified as a supplementary plan to the City of Palmerston Inclusive, Diverse and Accessible Policy Framework.

## **BUDGET AND RESOURCE IMPLICATIONS**

Further funding and payment for external members and staff has been identified in the 2024/25 operational budget.

## **RISK, LEGAL AND LEGISLATIVE IMPLICATIONS**

On registration of a Reconciliation Action Plan, organisations have 12 months to develop a draft Reconciliation Action Plan. A first draft of the RAP is due to Reconciliation Australia in September 2024 in the template provided by them. Reconciliation Australia have been contacted with a request for extension for the draft RAP.

This Report addresses the following City of Palmerston Strategic Risks:

Inclusion, Diversity and Access
 Failure to balance meeting needs of Palmerston's cultural mosaic

## STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This Report relates to the following City of Palmerston Strategies, Framework and Plans:

Inclusive, Diverse and Accessible Policy Framework

A Reconciliation Action Plan was identified as a supplementary plan to the City of Palmerston Inclusive, Diverse and Accessible Policy Framework.

## **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

## **ATTACHMENTS**

1. RAP Terms of Reference [13.2.4.1 - 4 pages]

## **TERMS OF REFERENCE**

A Place for People

Committee Name:	Reconciliation Action Plan Working Group
Responsible Officer:	Executive Manager People & Customer
Owner:	General Manager People and Place
Approval Date:	18/06/2024 Next Review Date: 18/02/2026

## 1 PURPOSE

The purpose of the City of Palmerston Reconciliation Action Plan Working Group (RWG) is to develop, implement and report on the City of Palmerston Reconciliation Action Plan (RAP) in consultation with Reconciliation Australia.

## 2 COMMITTEE OBJECTIVES

- 2.1 Develop a RAP within the context of City of Palmerston's core business and in-line with:
  - The City of Palmerston Community and Municipal Plans; and
  - The City of Palmerston Inclusive, Diverse and Accessible Strategy.
- 2.2 Establish a collaborative and consultative process for engaging staff across the organisation so that they can provide:
  - Ideas for the RAP; and
  - Feedback on draft versions.
- 2.3 Develop a project plan and timeline to develop, launch and begin implementing the RAP, including consultation with Reconciliation Australia at regular intervals.
- 2.4 Regularly liaise with relevant internal and external stakeholders to review progress of the RAP actions including:
  - Reporting RAP progress to Council as RAP Sponsor quarterly or more frequently as required;
  - Reporting RAP progress to Reconciliation Australia annually;
  - Reporting RAP progress internally;
  - Reporting RAP progress to relevant Aboriginal and Torres Strait Islander stakeholders; and
  - Reflecting on key learnings in the development of a new RAP.
- 2.5 Consider RAP implementation issues and consult with relevant staff to find solutions.
- 2.6 Seek approval from Council for final version of Reconciliation Action Plan.
- 2.7 Liaise with internal or external designers inform the design of the RAP document.
- 2.8 Develop a new RAP when the current plan expires.

## 3 AUTHORITY/DELEGATION

3.1 The RWG will have no delegation and progress of the RAP development and implementation will be reported directly to the Chief Executive Officer.

RECONCILIATION ACTION PLAN - TERMS OF REFERENCE

# **TERMS OF REFERENCE**

## A Place for People

- 3.2 City of Palmerston staff on the RWG are responsible for liaising with all relevant business units to assist in completion and submission of the RAP Impact Measurement Questionnaire to Reconciliation Australia annually.
- 3.3 Once approved by Council the final document will be signed off by the RAP Champion and Chief Executive Officer.

## 4 MEMBERSHIP AND STRUCTURE

- 4.1 Membership of the RWG will be limited to ten (10) people.
- 4.2 Nominations will be open to City of Palmerston staff members, Palmerston residents and Palmerston based organisations who are interested in reconciliation and how it can be a positive force for changing the culture, work practices and core business of City of Palmerston.
- 4.3 The RWG will comprise a maximum of six (6) staff members who have been nominated for the group. Aboriginal and Torres Strait Islander staff members will be strongly encouraged to nominate.
- 4.4 The RWG will comprise two (2) Palmerston Aboriginal and or Torres Strait Islander community members and one (1) Aboriginal and or Torres Strait Islander Palmerston organisation representative. These external vacancies will be advertised on the City of Palmerston website and any other media decided by the organisation.
- 4.5 Nominations will be submitted via email to a designated City of Palmerston email address.
- 4.6 Final selection will be made by the Chief Executive Officer.
- 4.7 The RWG will also include a RAP Champion from the Executive Leadership Team.
- 4.8 The roles of RWG membership and other decision makers internal and external to the RWG are defined as follows:

Member/Decision Maker RWG Members	Reason for Membership and Role
Staff that represent a wide range of departments, locations and levels.	<ul> <li>To promote a whole-of-organisation approach to the RAP.</li> <li>To ensure the RAP does not sit with a single team.</li> <li>To ensure the responsibility for implementing the RAP does not fall to Aboriginal and Torres Strait Islander staff or departments as reconciliation is everyone's responsibility.</li> </ul>
Aboriginal and Torres Strait Islander	To ensure the RAP is guided by Aboriginal and Torres Strait Islander knowledge and perspectives.

RECONCILIATION ACTION PLAN - TERMS OF REFERENCE

# **TERMS OF REFERENCE**

## A Place for People

representatives (staff or external)	<ul> <li>To ensure Aboriginal and Torres Strait Islander people are involved in decision-making.</li> <li>To build a culturally appropriate approach to RAP development, implementation and reporting.</li> <li>To assist the RWG and organisation work through areas that can be complex or sensitive.</li> <li>It should be noted that Aboriginal and Torres Strait Islander Staff and RWG members should not be expected to drive the RAP, but rather guide it.</li> </ul>
RAP Chair/Co-chairs (may be RAP Champion)	<ul> <li>To coordinate RWG meetings (or their delegate) and take responsibility for holding other members of the group accountable and on track.</li> <li>To provide a primary contact for other staff, community members, organisations and Reconciliation Australia when they have enquiries about the RAP.</li> </ul>
RAP Champion/s	<ul> <li>An Executive Leadership Team member to raise the profile of reconciliation as an organisational priority internally and externally.</li> <li>To lead by example by actioning the commitments in the RAP.</li> </ul>
External to RWG	
Council/RAP Sponsor	<ul> <li>Provide the leadership, guidance and resources to ensure that City of Palmerston's commitment to reconciliation is realised.</li> <li>Approve RWG Terms of Reference</li> <li>Approve final version of the Reconciliation Action Plan</li> </ul>
CEO/Key decision makers	To ensure the RWG can resolve roadblocks to RAP implementation.

## 5 TERMS, VACANCIES AND FEES

- 5.1 The membership term of the RWG will be until implementation of the current iteration of the RAP. New members will be invited to join as vacancies arise to ensure the group generates new ideas as well as continuity.
- 5.2 To ensure participation and recognition of contribution, the community members on the RWG will be compensated for their attendance at meetings at the rates identified in the 'Extra Meeting/Activity Allowance' for Elected Members per Determination No. 1 of 2023 as a (noting that these are not Elected Members and meetings will likely be conducted outside normal business hours).

# **TERMS OF REFERENCE**

#### A Place for People

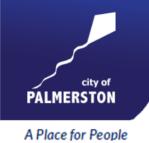

- 5.3 When meetings are held out of business hours, City of Palmerston staff attendance will be considered as working additional hours and compensated accordingly per the relevant City of Palmerston Enterprise Agreement or Employment Contract.
- 5.4 A member who fails to attend three consecutive meetings without providing an apology is considered to have resigned from their membership.
- 5.5 The Terms of Reference and membership profile will be reviewed by the RWG every two years from commencement, or as required.

#### 6 MEETINGS

- 6.1 The Reconciliation Action Plan Champion (or their delegate) will convene meetings and will distribute business papers no later than three business days prior to a meeting.
- 6.2 Meetings will be held monthly while the RAP is being developed, and every two months after launch to monitor progress.
- 6.3 Meetings will require a quorum of half plus one.
- 6.4 In the event that the group is unable to come to a cohesive understanding on any matter or discussion item, a vote will be taken and will be noted in the minutes.
- 6.5 Meeting minutes will be distributed to members within five working days after a meeting.

#### 7 CONDUCT

- 7.1. RWG members must declare any real or perceived conflicts of interest when joining the group and at the start of each meeting before discussion of the relevant agenda items.
- 7.2. Committee members must not speak on behalf of the RWG without the approval of the Chief Executive Officer.

# COUNCIL REPORT

2nd Ordinary Council Meeting

AGENDA ITEM: 13.2.5

**REPORT TITLE:** Finance and Governance Quarterly Report - July to September 2024

**MEETING DATE:** Tuesday 15 October 2024

**AUTHOR:** Executive Assistant to General Manager Finance and Governance,

Navya Desamala

**APPROVER:** General Manager Finance and Governance, Wati Kerta

#### **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

#### **PURPOSE**

This Report summarises the key activities undertaken by the Finance and Governance Directorate during the July to September 2024 quarter.

#### **KEY MESSAGES**

- During the quarter, a total of \$8.82 million was paid to vendors, with \$7.44 million (79%) paid to local suppliers.
- The 2024-25 rates and charges were levied and revenue of \$35.59 million was recognised in August 2024.
- The Early Bird Draw is set on 10 September for ratepayers that pays their rate in full as at 30 September. Two lucky ratepayers will have a chance to win \$1,500 each.
- The total number of ratepayers now receiving rates notices digitally is 3710, which reflects 25% of rates notice and improves sustainability.
- Council commenced the reporting on the adoption of its 2024-25 Municipal Plan through the monthly financial reporting cycle.
- The capital projects rolled over into 2024-25 of \$5.55 million was adopted on 20 August 2024.
- The revised capital budget as of 30 September 2024 is \$16.38 million, as a result of the capital projects roll-over. This capital budget will continue to be assessed and adjusted in the forthcoming budget reviews.
- A number of governance activities occurred during the quarter which included endorsement of four Council Polices six grant acquittals, completion of the Community Satisfaction Survey and a Risk Management and Audit Committee meeting.
- The End of Financial Year (EOFY) audit commenced on 16 September 2024 and is still in progress. The EOFY audit is expected to be completed by 18 October 2024 with the audited General Purpose Financial Report ready to be presented to RMAC on 29 October 2024.
- City of Palmerston's quarterly Wi-Fi report highlights a user range of 3,500-5,000, with a notable increase in usage at SWELL, Gray Hall, Marlow Lagoon Reserve, and Sanctuary Lakes Park

#### **RECOMMENDATION**

THAT Report entitled Finance and Governance Quarterly Report - July to September 2024 be received and noted.

#### **BACKGROUND**

Council is provided with a report on key activities undertaken by the Finance and Governance Directorate on a quarterly basis that aligns with the relevant Community Plan outcomes.

#### **DISCUSSION**

The Finance and Governance quarterly update identifies the activities undertaken during the quarter that supports the delivery of the Community Plan outcome.

Community Plan Outcome 2: Vibrant Economy – Palmerston is a destination city for employment, it is a place where businesses are encouraged to set up and grow.

#### Investment

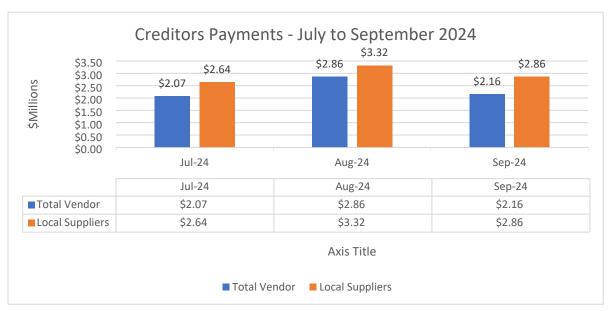

Council's Investment into the City of Palmerston is presented in the Municipal Plan and Long-Term Financial Plan, which was adopted at the 18 June 2024 Council Meeting and is reported to Council through the monthly financial reporting cycle.

The 2024-25 Municipal Plan includes a budget of \$10.83 million for capital works for the 2024-25 year which includes the staged delivery of projects including the Zuccoli Community Hub, the Driver Community Hall and the commencement of a Marlow Lagoon Master Plan

The 2024-25 budget is presented as a balanced budget with Council continuing to provide a consistent level of service to our community. The Plan recognises Councils current and future financial capacity to continue delivering quality services, provide facilities and infrastructure while commencing new initiatives and projects to achieve the outcomes in the Community Plan.

#### **Support Local**

\$8.82 million has been paid to local suppliers between the period 1 July 2024 to 30 September 2024. This total makes up 84% of all creditor payments over the same period which amounted to \$7.44 million.

#### **Rates and Charges**

The 2024-25 rates and charges were levied and revenue of \$35.59 million was recognised in August 2024. The first instalment was due on 30 September and remaining amount due as per the quarterly

instalment. If the first instalment is not paid by 30 September, the whole amount becomes due and payable.

Ratepayers that pay their rates in full by 30 September are eligible for Early Bird Draw. Two lucky ratepayers will have a chance to win \$1,500 each. The draw is set on 10 September, and the Mayor has been invited to conduct the draw.

Community Plan Outcome 5: Environmental Sustainability - Palmerston is an environmentally friendly, liveable city that promotes renewable practices and sustainability.

#### **Electronic Rate Notices**

The July to September 2024 quarter recorded an increase of ratepayers registered to receive electronic notices. The total number of ratepayers now receiving rates notices digitally is 3710, which reflects 25 % of rates notices.

Community Plan Outcome 6: Governance - Council is trusted by the community and invest in things that the public value.

#### 2024-25 Capital

The capital projects rolled over in to 2024-25 of \$5.55 million was adopted on 20 August 2024. The capital rollover includes \$4.1 million of projects associated to grant funds where Council is required to meet obligations and milestones as per the grant agreement, including a level of Council funding contributions. Of these projects \$1.65 million is grant funds and the \$2.4 million is the tied Council Contribution. A further \$1.4 million of projects have significant value to the community and includes the Archer Waste Management Facility Upgrade, Enterprise Resource Planning project and the Driver Community Centre and is being recommended to be rolled over into the 2024-25 financial year.

The Council started the 2024-25 financial year with a capital works program budget of \$10.83 million. Following the EOFY process, a net amount of \$5.55 million was added to the capital budget, bringing the revised total to \$16.38 million as of 30 September 2024. This capital budget will continue to be assessed and adjusted in the forthcoming budget reviews for the 2024-25 financial year.

#### **Grants Management**

The following grant reporting requirements were finalised for the quarter:

- Northern Territory Recreational Fishing Grants Scheme 2023/24 Aeration Devices Final report and acquittal
- Investing in Our Communities Grant Hobart Park Amenities Progress Report 1
- Public Library Funding Annual Statistical Survey

#### Procurement - over \$100,000

The following public procurement processes were undertaken for projects estimated to be over \$100,000 in the July - September quarter:

Procurement	Awarded To	Contract Value	Contract	Length of	Local Supplier
			Туре	Period	
				Contract	
Footpath	JLM	Maximum	Schedule	Period of 2	Yes
Connectivity	Contracting	contract value of	of Rates	years	
and Renewal	Services Pty	\$1,925,000.00 inc			
	Ltd	GST			
Public Bin	VTG Waste &	Estimated annual	Schedule	Period of 4	Yes
Litter	Recycling Pty	value of	of Rates	years	
Collection	Ltd.	\$319,642.40 inc			
		GST			

Grounds Maintenance	Programmed Property Services Pty Ltd	Estimated annual value of \$1,597,381.50	Schedule of Rates	Period of 3 years	Yes
Municipal Landscaping – Palmerston East	Programmed Property Services Pty Ltd	Estimated annual value of \$806,770.51 inc GST	Schedule of Rates	Period of 3 years	Yes
Municipal Landscaping – Palmerston West	Sterling NT Pty Ltd	Estimated annual value of \$850,856.18 inc GST	Schedule of Rates	Period of 3 years	Yes
Pre-Cyclone Clean Up 2024	VTG Waste & Recycling Pty Ltd	\$502,590.00 inc GST	Lump sum and Schedule of Rates	N/A	Yes
Clean and Reline bore - Marlow Lagoon	H2O Pty Ltd	\$114,456.10 inc GST	Lump Sum	N/A	Yes
Replacement of Tom Price Park Playground	NT Shade and Canvas Pty Ltd	\$75,097.00 inc GST	Lump Sum	N/A	Yes
Accessible Playground - Marlow Lagoon and Sanctuary Lakes	NT Shade and Canvas Pty Ltd	\$1,210,000.00 inc GST	Lump Sum	N/A	Yes

The following public procurement activities for projects over \$100,000 are in the planning and preparation stage and are scheduled to be released in the next quarter:

- Hobart Park Upgrades Stage 2
- Library and Recreation Centre Security
- Café Repair Design and Construct

The following public procurement activities for projects over \$100,000 are in the assessment stage and are scheduled to be awarded late 2024:

- Civil Works Panel Contract
- Archer Waste Facility Upgrade Stage 2 Recycle Centre Upgrade
- Tree Planting

The following public procurement activities for projects over \$100,000 are currently open for tender or quotation and are scheduled to be awarded in the next quarter:

Management of the Archer Waste Management Facility

#### Freedom of Information

• Three Freedom of Information (FOI) requests were completed in this quarter. No new applications were received during this period.

#### **Review of Council Policies**

The following Council Policies were reviewed and updated for the quarter, in line with the endorsed Policy Review Schedule:

- Laneway Management
- Breach of Code of Conduct Elected Member
- Asset Management
- Caretaker

#### Risk Management

The Risk Management and Audit Committee (RMAC) meeting was held on 27 August 2024.

#### **EOFY Audit**

The End of Financial Year (EOFY) audit commenced on 16 September 2024 and is still in progress. The auditors from KPMG were on-site for two weeks and are now continuing their work remotely. To date, the auditors have performed internal control testings, substantive testing on transactions including revenue, expenses, and assets, and verification of balances by confirming with third parties (e.g. banks, lawyers).

The EOFY audit is expected to be completed by 18 October 2024 with the audited General Purpose Financial Report ready to be presented to RMAC on 29 October 2024.

The key compulsory dates for the completion of audit and reporting are below:

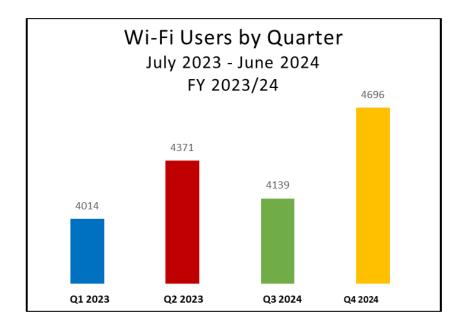

- 18-Oct-24 Finalisation of External Audit
- 29-Oct-24 Risk Management Audit Committee Meeting
- 5-Nov-24 Council Meeting, Adoption of Annual Report which includes Annual Financial Statements
- 15-Nov-24 Annual Report due to Minister

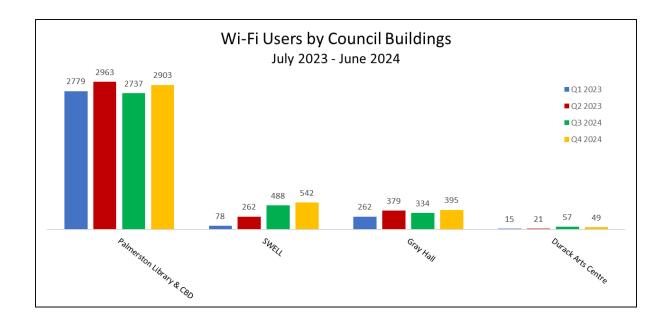

#### **IT and Assets**

#### Public Wi-Fi

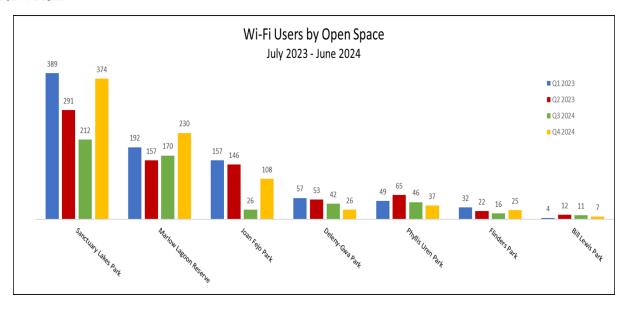

City of Palmerston's (CoP) quarterly Wi-Fi report highlights a user range of 3,500-5,000, with a notable increase in usage at SWELL, Gray Hall, Marlow Lagoon Reserve, and Sanctuary Lakes Park. However, overall lower utilisation was observed in open space areas despite better outdoor weather conditions. Bill Lewis Park and Flinders Park are locations with integrated solar picnic tables, and they consistently show low usage throughout the year; it is recommended not to replace them if the Wireless access point stops working or migrate to the highly utilised space if any other access points stop working. This will be monitored further, along with checking of signage, to determine whether these locations are viable ongoing.

Detailed overview will be provided in the next quarterly report.

#### **CONSULTATION AND MARKETING**

All staff within the directorate contributed to the development of this report.

#### **POLICY IMPLICATIONS**

There are no policy implications for this Report.

#### **BUDGET AND RESOURCE IMPLICATIONS**

There are no budget or resource implications relating to this Report.

#### RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

#### 6. Governance

Failure to effectively govern.

#### STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This Report relates to the following City of Palmerston Strategies, Framework and Plans:

- Long term Financial Plan
- Municipal plan

#### **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

# **COUNCIL REPORT**

2nd Ordinary Council Meeting

AGENDA ITEM: 13.2.6

**REPORT TITLE:** Financial Report - September 2024

MEETING DATE: Tuesday 15 October 2024

AUTHOR: Finance Manager, Jeffrey Guilas

**APPROVER:** General Manager Finance and Governance, Wati Kerta

#### **COMMUNITY PLAN**

Governance: Council is trusted by the community and invests in things that the public value.

#### **PURPOSE**

The purpose of the Report is to present to Council the Financial Report for September 2024.

#### **KEY MESSAGES**

- This report presents the September 2024 financial report and is representative of the year-to-date income and expenditure as of 30 September 2024.
- It is expected that there would be adjustments required to recognise income and expenditure for the 2023-24 Financial year end. This includes adjustments to the Balance Sheet accounts and is subject to an external audit.
- The financial health check ratios indicate that overall, the Council has commenced the year in a positive financial position.
- Total operating income is \$38.57 million which is 92% of the annual budget. Council has received 85% of the federal assistance grants. The rates and charges for the 2024-25 financial year have been levied and recognised as income.
- Capital income is at 2% of the \$8.99 million budget. Grants that meet the income recognition criteria will be recorded as income when it meets its grant obligations, which is generally when capital expenditure is incurred.
- Capital expenditure is \$0.11 million which is 1% of the \$16.39 million approved Capital budget, of
  which \$5.56 million was rolled over from the last financial year and \$2.5 million is uncommitted grant
  funded works. Total capital expenditure figures have reduced from last month, due to the reversal of
  accrued expenses for the 2023-24 financial year.
- As at 30 September 2024, operating surplus (excluding depreciation) is at \$32.17 million.
- As at 30 September 2024, the total cash and cash investments were \$29.44 million, which includes \$16.75 million in term deposits in various banking institutions with less than 12 months to maturity and \$12.69 million in our general bank account.
- Total outstanding rates debt are \$23.77 million. This includes \$1.8 million of accumulated unpaid rates from prior years, of this \$1 million of accumulated unpaid rates relate to rates levied in 2023-24 financial year. This represents 3.28% of the \$33.39 million of rates and charges raised in 2023-24. \$204,369 of prior years rates debt has been collected in the month of September 2024.
- Total payments to creditors in September 2024 amounted to \$2.86 million, of which \$2.15 million (75%) were paid to local suppliers.

- The Council is compliant with its statutory obligations such as Pay-as-You-Go Withholdings, Goods and Services Tax, and Superannuation Guarantee reporting.
- There were no variations during September 2024 that met the criteria under Regulation 42 of the Local Government (General) Regulations 2021.

#### **RECOMMENDATION**

THAT Report entitled Financial Report - September 2024 be received and noted.

#### **BACKGROUND**

In accordance with *Local Government (General) Regulations 2021* - Part 2 (Division 7), the preceding month's Financial Report must be presented to Council. Regulation 17(1) of the General Regulation requires a monthly report from the Chief Executive Officer to provide the Council with the actual income and expenditure for the period; the most recently adopted annual budget; and details of any material variances between the most recent actuals and the most recently adopted annual budget.

The information below is provided to assist with the terminology used throughout the Report:

- Annual Budget is the total budget per the municipal plan for the 2024-25 financial year, plus the approved capital expenditure roll-over from 2023-24 (refer Decision 10/1476, 2<sup>nd</sup> Ordinary meeting in August).
- Year-to-date actuals (YTD Actuals) is the actual income and expenditure from 1 July 2024 to the current reporting date, 30 September 2024.
- The forecast amount is the YTD budget. The cashflow is based on projected cashflow for the year and on last year trends. Variance is due to timing difference. This report should be read in conjunction with the following:
  - Dashboard report found at Attachment 13.2.6.1 which is a traffic-light reporting system highlighting the current health status and areas of interest to Council. Further details are then reported in the body of the report.
  - Financial reports are included at Attachment 13.2.6.2 presenting the financial position of Council
    as at 30 September 2024, noting that the 2023-24 End of Financial Year adjustments are still
    underway, therefore, the Balance Sheet accounts are yet to be finalised, and subject to external
    audit.

#### **DISCUSSION**

#### Financial Health

- The financial health check ratios provide Council with a quick snapshot of the Council's financial position, noting that the figures may not include the adjustments to the 2023-24 final year-end transactions.
- The September 2024 ratios are benchmarked against the forecast ratios as per the Municipal Plan. If the ratio indicates that Council is not on target, a detailed explanation is provided. The ratios show Council's ability to monitor the cashflows (in and out) and ensure that Council has sufficient cash to cover its obligations.
- The operating surplus ratio (operating surplus divide by operating income) of 84% is higher than the KPI due to the rates and charges for 2024-25 financial year being levied in August 2024 and the 85% Financial Assistance Grant received in advance for the year.
- The debt service ratio (net operating income divide by debt repayments plus interest) for September 2024 is 149.83 which indicates that Council has the capacity to meet loan obligations. This is high, due to the rates levied and recognised as income and 85% Financial Assistance Grant received in advance for the year.

- Rates collection shows that only 38% of rates revenue has been collected, this is due to the rates being due on 30 September. To date \$13.64 million has been collected.
- The current ratio (Current Assets divide by Current Liability) is 6.76 times as at 30 September 2024 which demonstrates that Council has enough resources to meet its short-term obligations.

#### **Operating Overview**

- The dashboard provides an overview of Council's operating income and expenditure for 2024-25 as at 30 September 2024. Refer **Attachment 13.2.6.1.**
- Total Operating Income as at 30 September 2024 is \$38.57 million, which is 92% of the Annual Budget of \$42.14 million. Rates and charges are levied in August 2024.
- Total Operating Expenditure at 30 September 2024 is \$9.40 million, this mainly consists of the following:
  - o \$2.97 million Employee Costs
  - o \$1.22 million Materials & Contractors
  - \$3 million Depreciation (non-cash)
  - o \$0.32 million Utilities
  - \$0.44 million Other Expenses such as program running cost and training costs.
  - \$0.36 million Professional services such as External consultants and Management fee for Odegaard.

#### **Capital Overview**

The dashboard provides an overview of Council's capital expenditure for 2024-25 as per **Attachment 13.2.6.1.** The cashflow forecast of the capital expenditure is based on projected cashflow for the year and on last year's trends.

#### **Capital Expenditures**

The 2024-25 Capital Expenditure budget is \$16.39 million. This includes \$5.56 million capital budget from last financial year that was rolled over to the current financial year.

The pie chart in the dashboard as per **Attachment 13.2.6.1** shows that out of the \$16.39 million capital expenditure budget, the actual capital expenditure is \$0.11 million which is 1% of the budget.

In addition to the \$0.11 million actual expenditure, there is a further \$0.34 million in commitments where works have commenced and awaiting payments. The current expenditure combined with the commitments presents a 3% expenditure against the original capital budget. However, it should be noted that there are a number of projects where contracts are in place and final details are being finalised to enable a financial commitment. Further details relating to key projects are included in the Major Capital Projects Update report.

In addition, \$2.5 million of the capital expenditure relates to grant funding that has not been committed or part of a current grant agreement. These funds represent approximately 15% of the capital budget and are unable to be spent until funding is confirmed.

#### **Capital Funding**

Capital projects are funded by capital grants, Council contributions (operating surplus and financial reserves), and borrowings.

The table below provides a breakdown of the budgeted capital grants income for 2024-25 (A), funds that has been received (B) and funds still yet to be received (C).

Capital Project 24-25	Total Grant Income for 2024- 25	Grant Funds received to date	Grant Funds yet to be received
	(A)	(B)	(C)
Driver Community Facility	\$1.25M		\$1.25M
New Pathway (\$4M Greening and Cooling)	\$0.24M	\$0.24M	
Tree Planting and Replacement (\$4M Greening &	\$0.02M	\$0.02M	
Cooling)			
Dark Spot (\$4M Greening and Cooling)	\$0.25M	\$0.25M	
New Pathway	\$0.25M		\$0.25M
Tree Planting and Replacement	\$0.25M		\$0.25M
Dark Spot	\$0.25M		\$0.25M
Play Space Renewals and Upgrades	\$0.25M		\$0.25M
Road Safety Program (R2R)	\$0.25M		\$0.25M
Black Spot Program 24/25	\$0.27M		\$0.27M
Sustainability Programs	\$0.25M		\$0.25M
Hobart Park Exeloo and Park Upgrade	\$0.45M		\$0.45M
LRCI Phase 4 Part A	\$0.41M	\$0.39M	\$0.02M
Zuccoli Community Hub IPG (Pump Park/Skates)	\$0.25M	\$0.25M	
Water Aquifer Prevention Strategy	\$0.1M	\$0.1M	
Palmerston Library Modernisation	\$0.04M	\$0.04M	
Artwork – Sculpture	\$0.25M		\$0.25M
21/22 Custom Holding Pen	\$0.10M	\$0.10M	
Archer Recycling Modernisation Project	\$0.02M		\$0.02M
Mitchell Creek & Escarpment Feasibility Study	\$0.04M	\$0.04M	
Road Reconstruction including LRCI Phase4 Part B	\$0.38M		\$0.38M
Tota	\$5.57M	\$1.43M	\$4.14M

- Grants that have been received are recognised as a grant liability until the assessment of income criteria has been met such as meeting the grant agreement obligations.
- As at 30 September 2024, \$95,453 of grant revenue has met the grant agreement obligations and has been recognised as income.

#### **Cash and Investments**

Trading Account: \$12.69 million Investments: \$16.75 million

Year to Date interest revenue: \$0.33 million

Cash at Bank and Investments							
Duration	No.	(Million)\$ Value	% of total Portfolio	Limit			
Cash at bank	1	\$12.69M	NA	NA			
<12months	11	\$16.75M	100%	100%			
Total	12	\$29.44M	100%				

The investment portfolio is compliant with the Council Investments Policy.

- As at 30 September 2024, the Council held \$16.75 million in term deposits across four financial institutions.
- Cash held by Council in the National Australia Bank (NAB) Trading account as at 30 September 2024 was \$12.69 million earning 4.45% interest per annum.
- Performance of our investments against our policy and details on our investments are provided in section 2.3 of the Investments Management Report: **Attachment 13.2.6.2.**

#### Receivables

Council has \$25.6 million in Receivables, which is made up of the following

- \$23.88 million in Rates, which includes \$21.96 rates levied during 2024-2025.
- \$0.15 million Infringements outstanding,
- \$0.65 million Other Receivables to be received for grants.
- \$0.63 million general debtors which consist of amount to be received from Dept of Chief minister \$0.38 million and NT Concession \$0.19 million; and
- \$0.28 million related to GST and pre-payments and accrued interest for Term deposit.

#### Rates

- The dashboard at **Attachment 13.2.6.1** highlights the rates levied for the 24/25 financial year are \$35.59 million, of which \$13.64 million has been already collected.
- Item 2.4 *Debtors Control* at **Attachment 13.2.6.2** provides for the summary of the overdue rates and shows that there is \$1.10 million in overdue rates still to be collected from the 2023-24 financial year, and a further rates debt of \$717,006 from prior years.
- 1139 properties have outstanding rates for previous years.
- 7033 Ratepayers have made their first instalment payment.
- Total of 540 properties have either direct debit or payment arrangement in place (totalling to \$691,906).
- A request for quote for debt collection has been released which will provide additional resources to undertake debt collection.
- The Local Government Act 2019 allows Council to place an overriding statutory charge on a property
  where rates have been outstanding for at least 6 months, which gives Council priority over other
  registered and unregistered mortgages, charges, and encumbrances except for a previously registered
  overriding statutory charge.
- The Council currently holds overriding statutory charges on 59 properties for debts from 2018/19 and earlier. Additionally, 139 ratepayers have been notified that statutory charges will be applied if their outstanding debts are not settled. Of these, 20 statutory charges are currently in the approval process, with more expected in the coming weeks.
- All 2023-24 Financial Hardship applications have expired. 14 new applications were received that are currently being processed for the 2024-25 financial year.
- A balance of \$462,163 of rates received in advance is accounted for in the balance sheet as a liability as it relates payment of rates for a future period.

#### Infringements

• Total infringements outstanding is \$149,223 as at 30 September 2024; this consists of Animals (\$122,471), Public Place (\$6,656), Litter (\$50) and Parking (\$20,046).

The graph in the dashboard at **Attachment 13.2.6.1** shows the total infringements issued and collected for the month of September 2024.

#### **Sundry Debtors**

Sundry Debtors as at 31 September 2024 is \$632,486 as presented in **Attachment 13.2.6.2**. This balance relates mostly to outstanding grants income from the NT Government for \$375,000 and \$60,619 is related to long grass maintenance, upgraded bin and recoverable amount from employee \$196,867 to be received from NT Concession and Scheme as a rebate for rates. More details are available in section 2.4 *Debtor Control Account*.

#### **Trade Creditors Paid**

Total payments to creditors in September 2024 amounted to \$2.87 million, of which \$2.43 million (85%) were paid to local suppliers.

During September 2024, the significant vendor payments consisted of \$0.41 million towards utilities/electricity, \$0.28 million to Australian Taxation Office, \$0.26 million to Cleanaway Pty Ltd waste management and \$0.14 to Veolia Environmental Service (Australia) Pty Ltd million to waste/landscape maintenance.

#### **Borrowings**

Total external borrowings of \$5.47 million is made up of the following:

#### Archer Land Fill Rehabilitation loan

The total amount borrowed from NAB was \$1.96 million with the balance as at 30 September 2024 being \$0.72 million. The interest rate is fixed at 2.78% for the duration of the loan and is paid on a quarterly basis. This loan was for 8 years and is due to conclude on 30 June 2027.

#### SWELL loan

The \$5 million approved loan for the SWELL project was drawn down during December 2023 with a current balance of \$4.75 million. This is a 20-year loan with current variable interest rate of 5.60% repaid quarterly. This loan is renegotiated every 5 years and repriced quarterly. The next repricing of this variable rate is due on 28 December 2024.

#### Other Compliance matters

- Council is compliant with payment and reporting of all tax liabilities as outlined below:
  - Council has remitted \$564,299 Year-to-Date (YTD) in Pay-As-You-Go (PAYG) tax to the Australian Taxation Office (ATO). The PAYG withholding tax is regularly reported to the Australian Taxation Office on a fortnightly basis by Council.
  - The Business Activity Statement (BAS) balance for the month ended 31 August 2024 has been finalised and lodged in September 2024 as a Goods Services Tax refund of \$221817. The September 2024 BAS will be finalised and lodged in October 2024.
  - Council has the required insurances to manage the current risk exposure.

Contract Variations	
Varied contract, after a quotation under regulation 34 has been accepted and the total cost of supplies exceeds \$100,000 but is less than \$150,000.	Nil
Varied contract, after a quotation under regulation 34 has been accepted or a public quotation under regulation 35 has been accepted and the total cost of supplies exceeds \$150,000.	Nil
Varied contract is entered into after a tender under regulation 36 has been accepted and the total cost of supplies exceeds the original tender cost by more than 10%.	Nil

#### **CONSULTATION AND MARKETING**

The following City of Palmerston staff were consulted in preparing this Report:

- Finance team.
- Governance team

#### **POLICY IMPLICATIONS**

This report in line with the reporting requirements under the Local Government Act and Council Policies.

#### **BUDGET AND RESOURCE IMPLICATIONS**

This Report provides an overview of the budget and resource implications.

#### RISK, LEGAL AND LEGISLATIVE IMPLICATIONS

This Report addresses the following City of Palmerston Strategic Risks:

2. Financial Sustainability

Failure of Council to be financially sustainable to deliver key services and infrastructure for the community.

#### STRATEGIES, FRAMEWORK AND PLANS IMPLICATIONS

This Report relates to the following City of Palmerston Strategies, Framework and Plans:

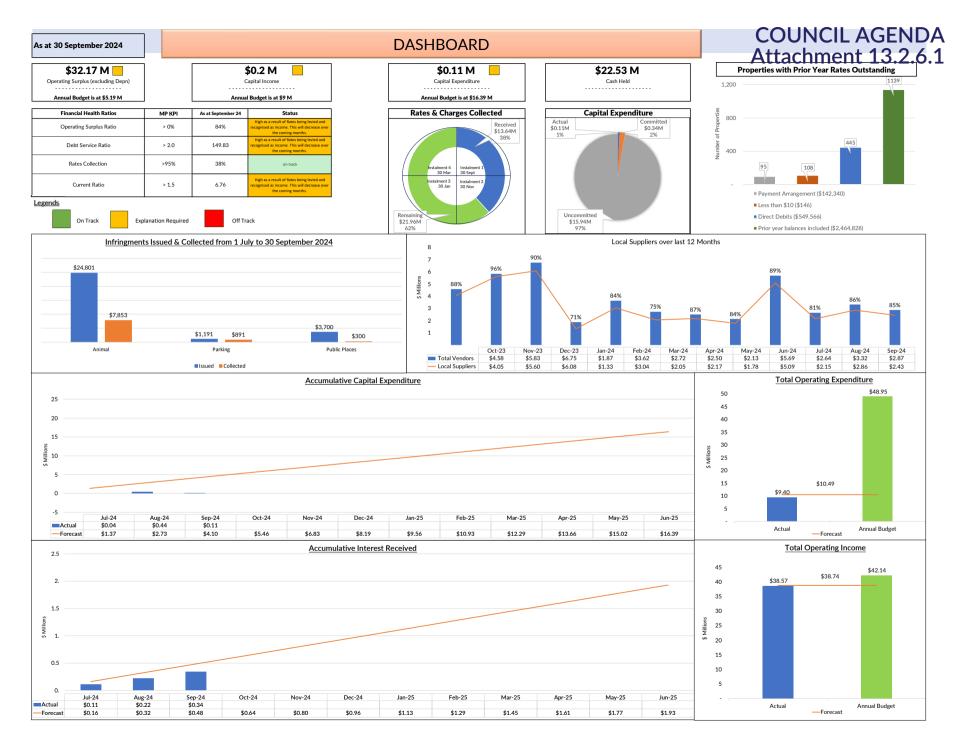

- Community Plan
- Municipal Plan
- Long Term Financial Plan

#### **COUNCIL OFFICER CONFLICT OF INTEREST DECLARATION**

We the author and approving officer declare that we do not have a conflict of interest in relation to this matter.

- 1. Maintenance charges for long grass and bin upgrades were higher than anticipated.
- 2. Vacant positions during the period
- 3. Due to invoices received but not processed by the cut-off date, 30 September. These invoices have since been processed.
- 4. Variance is due to timing of receipt of invoices, where some Utilities are paid quarterly, but have been budgetd in the cashflow evenly over 12 months
- 5. The timing of the payment of grants and sponsorships from Community Benefit Scheme is related to approved applications 6. Payment of Software, hardware and subscriptions are expected later in the year
- 7. Insurance expenses are slightly higher than budgeted and will be absorbed from savings in other areas
- 8. The variable interest rate for the loan was slightly higher than expected

#### General Note:

Cashflow is based on last year trends. Variance is due to the timing diffrenece

#### Notes

- 1. Due to annual Grant for library services has not yet been received
- 2. Due to greater number of dog registrations and renewals than expected
- 3. Due to lower infringements and court fines recovery than anticipated
- 4. Due to lower bookings and venue hire than expected
- 5. Few development fees were received for subdivisions for the period due to timing of the development

#### General Note:

 $\label{lem:cashflow} \textbf{Cashflow} \ \textbf{is based} \ \textbf{on last year trends}. \ \textbf{Variance} \ \textbf{is due to the timing difference}$ 

#### Notes

- 1. Due to vacant positions and lower consultant and legal fees during the period
- 2. Due to temporary staff which is offset by lower employee expenses
- 3. Due to timing of vehicle registrations and lower maintenance costs for the period.
- 4. No subdivision works undertaken during the period
- 5. Reduced maintenance cost due to the decomissioning of parking meters
- 6. Due to extra maintenance costs not expected and will be absorbed in savings else where
